CHRISTMAS BINGO
Parish Hall

3rd December
7.30pm

YOUTH CLUB CAROL SINGING

On 9th December the Youth Club will be carol singing in the church.

The children will be carol singing down through the village from the Village Hall making their way to the Church for 6.30pm, where parents and villagers will be most welcome.

We are trying something different this year because we have found from previous years, that although we all enjoy carol singing around the village, the children were often very cold and tired so hence a new format this year which I hope you will all support and enjoy.

YOUTH CLUB CHRISTMAS BINGO

This date is yet to be confirmed. It will definitely be on a Sunday and between 3.00pm and 5.00pm. **LOOK OUT FOR POSTERS**

YOUTH CLUB CHRISTMAS PARTY

This will take place on Friday 16th December.

YOUTH CLUB REOPENS ON FRIDAY 6TH JANUARY 2012

ENFORD FILM CLUB

Tuesday 24th January 2012

“Jane Eyre”

(PG)

Starring Mia Wasikowska, Michael Fassbender and Jamie Bell
Featuring Judi Dench as Mrs Fairfax

Tickets £5.00 each booked in advance and £6.00 on the night
To book tickets and for more information contact 07961 458058 or
e-mail: enfordfilmclub@gmail.com

Doors open 7.00 pm - Film Starts at 7.30 p.m.
Drinks available from the Bar

**ENFORD FILM CLUB IS AN INDEPENDENT FILM CLUB RUN
BY THE LOCAL COMMUNITY FOR THE LOCAL COMMUNITY**

Children's Christmas Party

A FREE EVENT

PAID FOR FROM THE ENFORD COMMUNITY FUND

WITH USE OF THE VILLAGE HALL DONATED BY THE COMMITTEE

ALL SAINTS ENFORD CHURCH ENFORD

From the Team Rector Rev. Mark Zammit

'For to us a child is born, to us a son is given, and the government will be on his shoulders. And he will be called Wonderful Counsellor, Mighty God, Everlasting Father, Prince of Peace.' (Isaiah 9:6)

As we contemplate the Christmas season and the start of a New Year we are all aware of the uncertainties which we face, especially in terms of our finances, jobs and economic prospects. We have to face the big questions of life: what shall I do?; who can help me?; who cares for me? and what do I say?

The familiar words of the prophet Isaiah were also given by God in a time of political and economic uncertainty. The Assyrians had just conquered the northern kingdom of Israel, fulfilling Isaiah's warnings to the people, who had turned their back on God and his ways. However, Isaiah also brings a word of hope, 'The people walking in darkness have seen a great light'. For Isaiah, it felt as if the future had already arrived! However, after 700 years the promised child was fulfilled in the birth of Jesus. For us, facing a New Year, he continues to be an answer to both our needs and questions:

Wonderful Counsellor: he will give us the wisdom we need, when we have difficult decisions to make at work or home, or in dealing with our finances or future direction.

Mighty God: he will provide the help and strength to face the difficult diagnosis, the family crisis or relationships breakdown, as we trust his plan and purpose for our lives.

Everlasting Father: he cares for us as a father cares for his children, so we can come to him when we feel alone or we are really struggling, knowing that he hears and will answer our prayers.

Prince of Peace: he has secured peace by his cross and resurrection, and so we can find in him true acceptance, forgiveness and peace for our lives, relationships and future.

Therefore at the start of 2012, may 'our joy be increased,' as for the people in Isaiah's day. For only Jesus can truly turn our sorrow into joy and save us from the vicious spiral of sin and death. Whatever the mess and mistakes we have made over the past year, he can deal with them. With him both our present and future are secure. This is no pipe-dream, for 'the zeal of the Lord Almighty will accomplish this.'

With love and prayers

New Colleague

As many of you will know, with the forming of our new team ministry (Avon River Team) a vacancy was created for a team vicar. This vacancy has now been filled on the appointment of Rev. Gale Hunt, who is currently Assistant Curate of St. Francis, Salisbury; St. Lawrence, Stratford-sub-Castle; and the Bourne Valley Team in the Alderbury Deanery.

Gale will be joining the team at the beginning of March 2012, and she will be licensed by the Bishop of Salisbury at a special service on Thursday 1st March, 7.30 p.m. in All Saints' Church, Netheravon.

Gale will be living at the Vicarage in Netheravon. Her appointment will bring the ministry team for our seven churches up to full strength again and we look forward to welcoming her in the New Year.

ENFORD AND NETHERAVON WAR MEMORIALS

Wayne Price, a soldier who was bought up in Netheravon, has researched and written about the men named on the War Memorials in Enford and Netheravon.

His work is in the library at Netheravon so, if you have a relation named on either of the memorials go along to the Local History section of the library where you can find out about their military life.

Wayne has also said if anyone would like their military relations researched he would be very pleased to undertake the work. **wayner575@gmail.com**

NETHERAVON HISTORY

Netheravon Parish Council has sponsored an album to which I am adding old photographs of the village. This is also in the library so if you are interested in the history of Netheravon please take a look..

Maureen Mitchell

WELCOME

We would like to wish a very warm welcome to all who have recently moved into the Parish of Enford. We hope that you will find many new friends and neighbours

A CHRISTMAS MESSAGE

Brenda Skinner sends Christmas Blessings and a Happy New Year to all her friends in Coombe and Enford

A SAD LOSS

We were very sorry to hear about the death of Nell Duffy. Nell had lived in Fifield for many years and had been an active member of The Newsletter Committee

THANK YOU

The 'Thank You' to Margaret and Martin in last month's Newsletter was very well deserved and the Film Night is a most enjoyable evening.

I would also like to add thanks to Judy and Anthony D'Arcy-Irvine for their contribution in the past.

Gai Rickett

THANK YOU

We would like to thank Paul and Clare Jacson who for several years have been our hosts at the Swan Inn.

We wish them well for the future.

GET WELL

to
Vi Elkins

THANK YOU

to
David Spencer, Steve Becker, Hamish Scott-Dagleish and Martin Webb or helping with the outside maintenance of the Village Hall earlier this month.

THANK YOU

I would like to say a big thank you to my family and friends for their amazing support during my recent treatment, operation and recovery. It has been a long eight months.

Jacqui Elkins

WELCOME

to
Sarah and Peter Griffith who have recently moved to Riverside Cottage in Newtown.

A STORY TO TELL BEFORE CHRISTMAS.

I would like to start this off, by using a phrase that the well-known Max Bygraves used to say, "I Want To Tell You A Story".

In the early summer of 2005 my wife and I were returning from the Swan Inn after having lunch and walking through Enford Church Yard when we noticed a sedate lady standing by a bench seat. The lady who was called Ms Jane Sansom was endeavouring to replace a brass dedication plate with a new stainless steel plate by some type of fixings. The bench had been placed in the Church Yard by Jane in dedication to Squadron Leader Ewen Gillies DFC and Bar 1920-2003 who had passed away on the 12th July 2003 aged 82 and was laid to rest at his homeland in the Scottish Highlands.

Ewan was born in Cromarty on 20th August 1920. He had volunteered for the RAF at 19, became a bomber pilot and then captained Beaufort torpedo bombers. He was one of the most decorated bomber pilots in WW2 being awarded the Distinguished Flying Cross in April 1943 with the Bar being added in 1945. He had carried out 100 sorties at Mast Height on enemy shipping in the Mediterranean and the Northern European Waters. It must be remembered that this young man like many others at the time, with great courage, faced the most terrible odds. Torpedo Bombers suffered the highest casualty rates of any RAF crews in WW2. They had to fly at low level over the sea in the face of enemy fire to reach their target. Ewen and crew had only a 3% chance of surviving the 100 anti-shipping sorties he flew during the war.

At our chance meeting with Jane, I asked her if she would allow me to change and fix the new stainless steel dedication plate as it had to be screwed/fixed to the bench to make it safe. From then on our relationship with Jane has been on-going as I have been looking after Ewen's seat year on year..

Jane and Ewen are past residents of Enford, residing within the late Dominic and Sarah Campbells estate. Jane was also a WRAF Squadron Leader and was stationed at RAF Upavon.

In September 2011 Jane and her god daughter, also named Jane, visited the churchyard to lay a single rose on Ewen's bench and then afterwards went to the Swan Inn. On their return to London they realised that between leaving the bench, the Swan Inn and the journey back to London Jane had "lost" her sapphire and diamond ring that Ewen had given her.

After speaking with Jane, I searched around Ewen's seat on the off chance that the ring may still be there but with no result. Later, a chance conversation in the Swan with my neighbour David Smith about Jane and the lost ring, rang a bell with him. He told me that on the day the lady was in the Swan, a Bruce McMillan had been in the Swan for a meal and found a ring outside but no-one in the Swan seemed to have lost it. Phone calls were made between Jane, Bruce and me regarding the lost ring and the upshot was that the ring had been found.

In October 2011 at 1pm Jane and her god daughter, Bruce McMillan, Dave Smith, my wife Pauline and me met. At last Jane was reunited with Ewen's ring.

We all thank Jane for the lunch and drinks and we send our very best wishes to her on the recovery of her precious Ewen's ring.

Merry Christmas and Happy New Year.

Stan Bagwell

All Saints Primary School Netheravon November

The school is delighted with its new extension which now means that all 193 children are taught in purpose built classrooms in the main building. The extension included two classrooms, a library area and a new toilet block for the children. The old double mobile is being retained to be used as a specific purpose music room and an art/design room.

Landscaping work on the school's new sensory garden has been completed. The garden has been professionally designed by one of the school's parents and includes a lovely pagoda at its centre. Other seating has been made by a parent and grandparent of the school and planting of the area is scheduled for Spring time.

Eagle eyed residents of Netheravon will notice that the staff car park area is also being extended to make it safer for children and parents in the morning rush hour.

Once again the school will be extending a warm welcome to the older members of our community to enjoy a special nativity production on Monday 5th December. Our Reception and Year 1 class will be presenting "Wriggly Nativity" at 1.30pm and Years 3&4 will be showing "Hosanna Rock". Look out for your invitation.

The Jungle Book will be coming to All Saints School when the Flying Pizza Theatre Company will be bringing their pantomime to life for the children on 12th December.

Parents and the wider community are welcome to join the school at Church on Wednesday 14th December for a Christmas Service starting at 11 am.

PROJECT  WORKSHOPS  <i>Carol Singers</i>	Project Workshops Christmas Sale 10th & 11th December 2011 Enjoy relaxed Christmas shopping. Enford Community Halloween and Fireworks Night

Our annual Hallowe'en, bonfire and fireworks display took place on the 29th of October and once again we had an amazing turnout. Thank you to all who came and helped make it a great village event. Happily the weather stayed dry until near the very end and as always Steve and the guys from SmART Pyrotechnics put on a spectacular show. Without their generosity we could not even begin to put on such a dramatic display and we really cannot thank them enough.

Well done to everyone who entered one of the competitions, the front of the village hall was lined with beautifully carved, glowing pumpkins and we had an astounding 37 entries for the children's fancy dress. The standard was very high and made judging difficult; thanks go to Linda Mundy and Tanya Becker for taking on this difficult task. The pumpkin competition was won by Daisy Walsh with Martha Holden the runner up and Isabella Love took first place in the fancy dress, with second place going to Olivia Smail.

Thanks also go to the Village Hall Committee for their use of the hall and grounds; all who helped in the bonfire building; Barry for making the UK's smartest guy; the Pettits, the Webbs and Bridget Holden for once again doing a grand job on the BBQ; Simon and Mary Campbell for their help on the gate and in organising the competition entries; Bruce, Katrina and the Youth Club team for running the sweet stall and Katie Briscoe for again providing paramedic cover. Last but by no means least, thank you to Hamish Scott-Dagleish, Stan Bagwell, Norman Beardsley and Ken Monk for once again organising the car parking.

ENFORD COMMUNITY FUND

At the September round of fund applications, £192 was awarded to The Enford Film Club for the purchase of their own Blu-ray player. This will enable the club to show a wider range of films including children's titles.

The amount available for funding in the following year is calculated after the 30th September, which is the Enford Community Fund's year end. A third of this fund is then donated to the Enford Village Hall in thanks for the use of the hall and ground facilities for Community Fund Events. Therefore we are pleased to announce that in November this year a cheque for £750 was presented to the Enford Village Hall.

Funding is available to help enable projects/events in the Parish of Enford (which includes East & West Chisenbury, Coombe, Fifield and Littlecott)

Applications for awards must be made to the treasurer – Amanda Farrow – by email or letter no later than the first day of the award month (March & September).

amanda.farrow@tiscali.co.uk or 537 East Chisenbury.

The following guidelines will be followed in allocating funds

1. Awards will be considered every 6 months in March and September
2. Awards will be made for individual projects and are not designed to allow awardees to become reliant on the award on an annual/regular basis
3. Awards will be made to causes that benefit the community and not specific individuals
4. No awards will be made for greater than £1000
5. For any award to be granted there must be agreement by at least 75% of the funding committee

Please note:

With thanks to Steve Becker, we are currently developing a web-page, which will shortly go onto the Enford Newsletter site; here you will be able to find more details on how to apply for funding together with a list of awards that have already been made and summaries of the accounts.

Tales of a Morris Cowley Part Three

Last month I wrote of a few of my early adventures in my most favourite car, a Yellow 1928 Morris Cowley. On yet another of our many trips from Portsmouth to London and back in the night with yet another load of friends, we ran out of petrol at Milford, just South of Godalming: Luckily, or so we thought, right beside a petrol station. It was of course closed at 3:00 am. Being fairly full of liquid good cheer we had several bright ideas: one of us used to run a competition with himself to see how many ladies' loos he could use. He was no use to us: He later became an Admiral! However another enterprising friend, whose father, another Admiral, had won the VC at Zeebrugge, disappeared. We searched high and low and eventually found him trying to siphon petrol out of an electric milk truck! We finally went to sleep in the car till morning.

At the end of our courses at Portsmouth, I was appointed, in early 1954, to a Mine-hunter in Scotland at the Naval Base at Port Edgar, right under the Forth Railway Bridge. The car did sterling service in Scotland: Amongst other achievements were putting off the less adventurous girl-friends and encouraging others. A few months after I arrived, a major catastrophe occurred late one night. My ship was small and only had a two or three people on board at night, including me. It was berthed down a long jetty and the car kept was at the top, some hundred yards away. I was woken by a dockyard policeman during the early hours, who said, "Your car is on fire, you'd better come". I did, and arrived at the top of the jetty to see a smoking wreck covered in foam supplied by an enthusiastic Edinburgh Fire Brigade. The whole of the back behind the wind-screen appeared to be gone apart from the metal body. The policeman announced to all and sundry, 'that will never go again'. Out of sheer cussedness, I walked round to the front and wound the starting handle. It started with a gentle rumble and then ticked over nicely. In these cars, the petrol tank was under the bonnet and there was a firewall of sorts between the front and the back. From that moment, I knew I had to restore it!

What we deduced had happened was that a drunken sailor, wandering back to his ship, had stopped, thinking that the car was a good place to rest and smoke a fag. Unfortunately I used to carry a four gallon jerry-can full of petrol in the back. He must have left his cigarette smouldering when he staggered on home. This set light to the seat which then cooked off the jerry-can. Rumour had it that the explosion was seen and heard in Edinburgh, some seven miles away! Although we were pretty certain who the culprit was, we could never prove it.

Thus began not only a long restoration programme on a minimal budget, but also some months of driving with no windows, roof or seats! The lack of windows and roof was bearable, if a little cold, but the seats were a problem. To start with I used two old petrol cans, unanchored. As driver, the only way to keep your can partially still was to hang on the steering wheel. The passenger, unless she was very alert, had more of a problem, and at least one promising relationship ended with her sliding forward into the dashboard on braking. A pity, because her father owned lumber camps and paper mills all over the world!

Next month read about some of the hazards involved during and after restoration.

CANCER RESEARCH UK

STONEHENGE AND PEWSEY VALE BRANCH

THANK YOU

Over the past two months we have held two fund raising events, the Curry Lunch and the Christmas Fair and I thought that you would be interested to know just how much money was raised.

The ever-popular Curry Lunch realised £760 while proceeds from the Christmas Fair were just under £1900.

As you can see this has been an extremely successful time and our thanks go to everyone who came along to support, or donated raffle prizes, made cakes for us to sell or worked alongside the committee members during the events themselves.

Without you we really could not have raised this amazing amount, so thank you for your continuing support and remember, together we really can beat Cancer.

PUBLIC RIGHTS OF WAY - OUTSTANDING MATTERS

ENFORD FOOTPATH No 19

On 26 June 2010, I reported to Wilts Council, via CLARENCE, that the footplate of the metal bridge crossing the River Avon on the Coombe/Fifield footpath, had a number of rust holes which required attention. Also, one of the lower guard rails had broken due to rust at two points. Defect number 461015 was allocated and I was informed that the report had been forwarded to the Highways Area Office based in Marlborough. As no action was taken, I submitted, during February and March 2011, two requests for updates relative to this situation. Both were unanswered.

During the Easter period 2011, some 'thoughtful person(s)' decided it was necessary to remove the piece of broken guard rail, break it into two pieces and dispose of it into the river. On 18 Aug 2011, this situation was raised as an ISSUE with Tidworth Area Board under reference 1844. The latest information received is dated 21 September 2011 and states:- 'Site visit carried out. Officer confirms that the bridge concerned is on the list for replacement and consents have been applied for.'

ENFORD FOOTPATH No 25

This Foot Path runs in a westerly direction from the junction of the A345 and Enford Hill, and climbs steeply through a small wooded area for a distance of approximately 30yds. This section is stepped, but due to seriously decaying timbers forming these steps, the path is covered with loose soil which turns to mud after only a short period of rain, thus making it exceedingly slippery. A metal hand rail is in situ for the upper and lower sections of this climb, but a bracket on the lower section of this rail has been broken thus making it unstable.

This matter was reported via CLARENCE on 14 February 2011, but they failed to respond. CLARENCE also failed to respond to a request for an update submitted on 2 March 2011. For information, this Footpath is part of the designated route for the Pewsey Avon Trail, and The Great Stones Way Walk. (www.greatstonesway.org.uk) On 1 August 2011, I and four colleagues walked down this slope (East-West), and despite being warned of the problem, one person slipped, fell onto his back, and slid for 6-8ft before reaching the bottom. Fortunately he was uninjured. The problems of this path have been reported on previous occasions, but as no remedial action has been taken, this too was reported as an ISSUE to Tidworth Area Board on 18 August 2011, reference number 1842.

The latest information on this matter is also dated 21 September 2011:- 'Site visit carried out. Work on footpath is now programmed and priority as been raised.

ENFORD FOOT PATH NO 31

This PROW links East and West Chisenbury. On 5 March 2011, a West Chisenbury resident reported some damage to the tarmac surface in the form of cracks and potholes. A request was submitted to Wiltshire Council via CLARENCE, for the path to be checked. No response was forthcoming from Wiltshire Council, therefore this was also reported as an ISSUE to Tidworth Area Board on 18 August 2011, reference no 1841. The latest information available for this matter is also dated 21 September 2011:- 'Site visit carried out. Work to be programmed'.
I will continue to monitor these ISSUES.

Norman Beardsley
Enford PC PROW Rep.

the NHS**

Appointments will be available to book
from 19th Sept

First appointment available on
Wednesday 5th October

Telephone 01980 630221 or 652378
to book an appointment

DOG FOULING

It has been noticed that dogs have been allowed to defecate in the surrounds of Enford Church and Cemetery. This is a sacred area, where families and children come to pay their respects to those who have been laid to rest in the cemetery. It is also where visitors come to Enford to visit and walk around this old ancient area. So dog walkers who use this area please pick up your dog's mess and "Bag IT and Bin IT". Either take your dog's mess home with you or place it in the black waste bin provided in the Church Yard. Dog's mess is a dirty, smelly thing and is very dangerous to children, so please be accountable for your dog's movements and actions.

LOCAL POLICING

A suspicious vehicle was seen in Haxton last month, paying attention to gardens and properties, and the occupiers knocked on doors of properties where there were no cars on the driveway.

It was terrible to see the empty plinth at Tidworth on Remembrance Sunday. Thefts of metal memorials have reached the stage now that we are carrying out an audit of all metal tablets and statues in the area. If you are responsible for a memorial, we will be contacting you soon.

There has been an increase in the number of rural thefts of coping stones and saddle stones. If you have either of these please keep them away from public view, or somewhere that a thief cannot drive to.

There have been several cases of forged £20 notes being passed to local businesses. Forgeries are often of good quality, but the paper wears quickly and the watermark, if there is one, is hand drawn.

There was a worrying incident last month, an elderly couple were driving into Enford from the South, a van was behind them so they let it pass, it stopped blocking the road, 2 young men got out and walked back to the elderly couple, they walked round the car looking into it, then they got back into the van and drove off, no vehicle registration recorded. This caused the couple considerable distress.

ENFORD FOOTBALL CLUB

It is with much regret that Enford Football Club have pulled out of the Salisbury Football League this season, this will be the first time since 1948 that this village has not been represented in local Saturday league football. It is such a shame that the club could not get enough players or people interested in running the side to continue, especially as we now have an excellent facility within the Village.

The club are currently looking to enter the league again next season and to this end we are seeking a new manager and players to take the club forward. We also hope to run the youth's football tournament at the fete again next year and it would be great if the Village was represented in this.

If any one would like to take up this opportunity and help out in any way then please contact the club chairman Julian Lee on 07831 225992 or Ollie Staggs on 07831 392035.

ENFORD MUSIC CLUB

There are a lot of talented musicians and singers in Enford. Sadly I'm not one of them, but I do enjoy playing all the same, and I am looking for fellow musicians and singers who would be interested in meeting up in the Village Hall on a regular basis to play (predominantly acoustic) music.

If you think that you might enjoy this then send an email to **steve@becker.globalnet.co.uk** (or call me on **670345**) and let me know: if you play an instrument or sing; what instrument you play; what sort of music you like to play/sing; what evenings are best for you.

Steve

CALLING ALL JAM AND PRESERVE MAKERS!

If you are making jams, chutneys or other preserves this Autumn, please spare a thought for the Fete next Summer and maybe make an extra jar or two for the home produce stall!

CALLING ALL GARDENERS!

The home produce stall at the next Summer Fete will desperately need supplies of plants to sell. So when you are splitting perennials or planting seeds for next summer, please con-

ENFORD GARDENING CLUB

Enford Village Hall
Thursday 8th December at 7.00 pm

This will be the last meeting of 2011. We will start with a short AGM to report on the year's activities, and then move to an early Christmas celebration.

Join us for a glass of wine, a mince pie and other refreshments.

Share your high and lows of the gardening year and give us ideas for what you would like to see next year.

We would love to see you.

There will be no meeting in January, so next meeting will be
 Thursday 9th February 2012

Any questions to Fanny Middleton
 01980 671645 or
fannysurtees@btinternet.com

A TALK ON THE ART OF PRUNING

The Garden Club enjoyed an excellent talk and demonstration on the art of pruning from Mr. Ray Broughton whose credentials were truly impressive and did not disappoint..

The right and wrong way of tackling a wide range of shrubs and hedges was expertly demonstrated and he laid great emphasis on continuing to feed them even when well established using an economical and home made fertiliser. He will be sending some useful fact sheets to us which will be available by email in due course.

After many questions the meeting had to end to allow him to return home !.

A Sure Start Children's Centre

News from Pewsey Children's Centre

If you are a parent/carer of a child aged 0-5 and you have not yet discovered Pewsey Children's Centre now is the time! This purpose built centre is on the same site as Pewsey Primary and Secondary School, and shares the building with Puddleducks Nursery and is open to all families in the Pewsey Community Area with children aged 0-5years.

Come along to Curious Creation on Wednesdays, from 10.30-11.30 We have a weekly Stay and Play Session in Woodborough Parish Rooms on Thursday mornings from 10.30-11.30.

The Children's Centre has a fantastic sensory room which can be booked free of charge for half hour sessions on Mondays, and there is a monthly Sensory Play session. On Monday mornings we run a 4-12month Baby and Beyond Group and on Tuesday mornings a 0-6 month TLC, where you can come and meet other families and discuss relevant developmental issues.

For more information about anything mentioned here, or the Children's Centre in general please ring (01672) 562351, or call into the Centre.

SALISBURY PLAIN TRAINING AREA NEWS SHEET December 2011

Defence
Infrastructure
Organisation

STOP PRESS: MOD, Wiltshire Council and Landmarc staff plus Tread Lightly volunteers have now inserted over 200 signs and effectively completed Larkhill Artillery Range, the area between Chitterne, Shrewton and Tilshead plus the area south of the B 390 (Shrewton to Chitterne Road).

TRAINING ON SPTA

December will see less training on the Plain and except for movement to and from SPTA convoys will be restricted to the training area and tank crossings

1 and 2 December plus 8 and 9 December sees Royal School of Artillery courses live firing including AS90 155mm self propelled guns. While 1 Mechanised Brigade continues their communications and logistic exercise across the Plain until 16 December, the Defence Logistics School will run combat logistic patrols of up to 80 heavy wheeled vehicles.

From 5 – 8 December and 12 – 15 December the Land Warfare Centre will mount two large armoured exercises FOXES THRUST and BLACK ADDER with reconnaissance and armoured infantry deploying across most of SPTA.

On 13 and 14 December 12 Mechanised Brigade will mount a live fire weapons effect exercise on Imber Ranges using the full range of weapons deployed in Afghanistan. From 17 December military activity reduces to a low level.

Note. Vehicle movement may cause delays at tank crossings and drivers are advised to take care when approaching crossings as mud clearance parties and mechanical sweepers will be at work.

FIRING NOISE

Live Firing. Firing is closely managed to ensure that legal noise limits are not exceeded and disturbance is minimised. Although some may find the noise intrusive, it is well below legal limits.

Late Firing on Larkhill Ranges: 1, 6, 8, 10, 13 December

AS90 Firing from SP East: Nil

AS90 Firing from SP West& Tilshead, Chitterne, Shrewton Triangle Nil

Complaints about Firing Noise should be made to (01980) 620819.

MILITARY FLYING

With the increase in training for operations there has been a significant increase in military flying. Helicopters, Hercules (C130) and fast jets may be active at any time. Fox Covert & Everleigh Dropping Zones will be active throughout.

**Complaints about low flying should be made to 0207 218 6020
or e-mail lowflying@mod.uk.**

ACCESS

Access to Salisbury Plain is regulated by Salisbury Plain Military Lands and Bulford, Larkhill and Imber Range Byelaws. This Newsletter is published up to 6 weeks before the event and urgent training bids may come in subsequently. **Always comply with local signs and flags.**

Access timings can be found on the SPTA Walks Line: (01980) 67 4763

Bulford Ranges. Rights of Way (PROW) through Bulford Ranges are closed when red flags are flying. No firing is planned for 10th, 11th, 17th December to 8th January 2012 inclusive

Larkhill Ranges. Rights of Way (PROW) through Larkhill Ranges are closed when red flags are flying. No firing is planned for 3rd, 4th, 11th, 15th December to 8th January inclusive

Note. In the event of range fires access may be denied to some areas due to the risk of unexploded ordnance "cooking off".

Imber. Difficult terrain and unexploded military debris make it hazardous to leave the marked routes. The public are excluded from Imber Ranges at all times, even if flags are not flying. The only exception being when the roads through Imber are opened to allow the public to reduce journey times across Imber Ranges.

17 December - 2 January	2012	Christmas and New Year
6 April - 9 April	2012	Easter Bank Holiday

Notes

1. Even when the roads are open the village remains out of bounds to the public.
2. These dates may change if operational training needs dictate.

Imber St Giles. A Service of Remembrance was held in St Giles Church on Saturday 12th November. Operational requirements permitting, it is hoped to hold the same ceremony next year. Opening Hours for Imber Church and its information centre (which also sells hot drinks and Imber honey) can be found at: www.imberchurch.org.uk.

Provisional Dates for Major Exercises. During the following major exercises access will be restricted on Larkhill Ranges and in the Chitterne – Shrewton – Tilshead Triangle north of the B390.
