ENFORD CHURCH
REMEMBRANCE DAY SERVICE
AND REDEDICATION
OF THE PARISH WAR MEMORIAL

The Parochial Church Council (PCC) are marking the Centenary of the beginning of World War One by holding a tribute to those in the villages of East Chisenbury, Enford and Coombe, who have fallen in the service of their country. This tribute will take the form of..

**A Remembrance Day Service at Enford Church
at 1030 on Sunday 9 November 2014**

.. which will include the Rededication of the newly repaired War Memorial Lychgate where the names of the Fallen of our parish are recorded.

The Service will centre on the Lychgate. Wreaths will be laid by the Chairman of the Parish Council, a Service Representative and by the Youth Club, and we will hold a Remembrance Service of hymns and prayers. Hopefully, the service will be held outside if weather permits, or in church if not.

Do you have a relative whose name is on the War Memorial? If so, please attend as we hope that some of the names can be read out by those who have a link to the Fallen.

.....

The repairs to the Lychgate War Memorial will cost just over £7000. Contributions have been received from Wiltshire Council (£1000), the Samuel William Farmer Trust (£1500), and the PCC are pledging £2000. Other organisations and Trusts are also being approached for financial assistance.

However, this is where YOU can play a small part in supporting our Village War Memorial by making a donation, however small, to defray the cost. If you can help, please either make your contribution on the day, put your contribution in the wall mounted box inside the church door or send a cheque - payable to Enford PCC - to the PCC Treasurer: Gill Gould, Lower Farmhouse, Long Street, SN9 6AR. Every little will really help!

.....

If you would be willing to come forward and help with the Rededication Service, even if you do not have a relative link, please email Henry (Churchwarden) at: hkwmiddleton@btinternet.com

.....

We very much hope that this Act of Remembrance will accord with how you would like your Parish Church to mark this important anniversary.

WELCOME

We would like to wish a very warm welcome
to all who have recently moved into the Parish of Enford.
We hope that you will find
many new friends and neighbours

FAREWELL AND THANKYOU

At the end of this month we will be saying goodbye to Adrian and Vicki Orr. During their many years as residents they immersed themselves wholeheartedly in to the life of the Parish giving their time freely in order to enrich the lives of others.

Adrian has been a Parish Councillor, a member of the Parish Plan Steering Group, joint organiser of the Annual Enford Golf Day and his pièce de résistance was taking the lead in organising and on the day running the Jubilee Celebrations.

Thank you to both of you.

We all wish you well in your new home. You will be missed.

WORLD WAR 1 – COMMEMORATION

It is hoped that, some time in the not too distant future, Enford and East Chisenbury can undertake a number of activities to commemorate the Great War.

The proposal for one of these activities is to trace information relating to several individuals from the area who are related in some way to current villagers. Although the names of those who did not return are listed in the Lichgate to the Church, I would also be interested in the stories of those who survived and then lived the rest of their lives in and around the area.

I would be interested to hear about any linkage with anyone who served in the war. Maybe you have some pertinent artefacts, medals, photographs etc. which might help me to build a picture and to bring the stories to life. If I can gain enough information I would like to put on a presentation some time in 2015 to pass on what I have discovered and in so doing remember the people of Enford and East Chisenbury who fought.

If you can help me with any information please contact Bob Taylor on 07909 870122 or e-mail andrew.taylor698@hotmail.com

We are also hoping to put on some kind of event/party/themed evening to commemorate WW1. We don't know exactly what this might be and are open to suggestions. If you have any ideas or would like to assist with such a venture please contact Rob Coulthard on 07838 194624 or e-mail robert.coulthard@icloud.com

ENFORD CHISENBURY GOLF 2015

Things are changing for the Enford Chisenbury Golf Day as 'PK' Kenny and Adrian Orr are both in the process of moving. Rob Coultard and Richard Roberts have very kindly volunteered to take charge.

The annual day out at the Upavon Golf Club has now been going for 7 years. Some great golf has been played and a few golf balls have been lost. Despite the forecasts little or no time has been lost through bad weather. This is not the Ryder Cup but pretty close and just as exciting!

We wish Rob and Richard all the best.

GARDENING CLUB MEETING REPORT—THURSDAY 9th OCTOBER 2014

Elisabeth Young

Adventures in Gardening – A Travelling Life.

Elisabeth Young delighted us all with photographs of her gardens all over the world. From Borneo to Baku, Accra to Zambia, Madrid to Washington, Elisabeth has made, developed and loved gardens, filling them with scent and colour, sometimes in the most difficult of circumstances.

Her latest garden is here in the Avon Valley, and again, she started from scratch and created a beautiful English country garden.

Elisabeth’s knowledge of botany and horticulture is extensive and her wonderfully down-to-earth approach to gardening was an inspiration.

PARISH COUNCIL SUMMARY

There have been 2 Parish Council meetings during September, the monthly meeting and an Extraordinary Meeting to discuss the Parish Plan.

At the monthly meeting there were questions from John Parker regarding the publishing of the Parish plan and concerns over the affordable housing proposal and traffic in Water Lane.

Lt Col Andy Sherburn attended the meeting to introduce himself in the position of MOD liaison.

The subject of a 20mph limit through Enford was discussed and possible solutions are to be investigated.

A village database to advise residents of local issues, weather warnings, impassable roads, criminal activity etc by e mail, has been raised at the last 2 or 3 meetings and is being investigated.

A request was received from the PCC for a contribution towards repairs to the Lychgate / war memorial. Unfortunately this had to be declined due to a lack of funds being available.

The Council thanked the Goodship brothers for their voluntary work on the Coronation Seat.

The Extraordinary Meeting was held on the 17th September to discuss possible actions as a result of the Parish Plan. Steve Becker and the Steering Group were thanked for their hard work in formulating the plan.

Details of the topics discussed can be found in the minutes of the meeting displayed on the village notice boards and at www.enfordnewsletter.org

Enford Cycling

Enford Cycling Group aims to give riders of all experience the opportunity to explore some of our beautiful local countryside.

VOLUNTEERS REQUIRED - LINK SCHEME CO-ORDINATOR

Durrington and District Link Scheme is a very busy charity that relies on Volunteers to provide transport for local people. We have a vacancy for a Co-ordinator to ensure this vital charity can continue to function.

All you need is a Land Line in your home, an ability to organise and a friendly telephone voice as full training/explanation of what we do will be given prior to undertaking the role.

Give it some thought and join our team, we are sure you will enjoy the experience so if you would like to make a vital contribution to this very worthwhile Scheme please email the Secretary, Eileen Brownhill on eileenbrownhill@hotmail.com

APPEAL FOR VOLUNTEER DRIVERS FOR DURRINGTON LINK"

There is a shortage of volunteer drivers in the Avon valley area to take disabled and elderly persons to appointments living in communities ranging from East Chisenbury to Durrington.

Durrington Link need people who can spare some time from Monday to Friday, who own their own car and are prepared to agree to the simple procedure of a Disclosure and Barring Service check.

Drivers are reimbursed at 45 pence per mile and this is paid once a month.

Andy Lucker, a Link driver living in Enford, says:

"Since I retired about a year ago I wanted to volunteer some of my time to charity work and, after a few enquiries, I discovered The Link. In the first instance I am contacted by the co-ordinator who offers me clients who have requested help getting to their appointments. This can range from visits to the hospital, the doctor and the dentist, or simply essential shopping trips. What I like about the Link is that it is emphasised that if it does not suit me then it is not a problem, they will contact another driver. So as a result I have maximum flexibility and tailor the driving around my other interests and commitments. I find the whole experience immensely rewarding. I have met some wonderful people who have led interesting and sometimes colourful lives, and they are really thankful for this service which is highly valued and relied upon."

If you are interested, please feel free to contact Andy on 07799 140460 to discuss further or to ask any questions, or the co-ordinator on 01980 594857 to request an information pack.

New voting arrangements

Under the new electoral registration system (IER), if existing postal voters and proxy voters have not been confirmed onto the new December 2014 IER register, their postal or proxy vote has to be cancelled. In addition, proxy voters will only be able to retain their proxy appointment if their proxy is also registered individually in that revised register. The General Election will be held on 7 May 2015, and it is therefore important electors ensure they are correctly registered before December this year.

Sandbags

If your property is in imminent danger of flooding please telephone 0300 4560105.

Please note sandbags will only be provided in response to emergency situations. You cannot collect sandbags from any of our depots.

If you require sandbags as a precautionary measure you will need to make your own arrangements to purchase them from local suppliers.

Wiltshire Council has in place an Emergency Management Plan and will respond to flooding events. We do not have a statutory duty to provide sandbags, but experience shows that the community expects the council to help if flooding is imminent. It is important that we handle enquiries sympathetically but in accordance with the following principles:

- We will maintain a stock of sandbags at depots across Wiltshire with a minimum of 500 bags at each storage location.
- We will supply sandbags free of charge on a "needs" basis in response to flooding emergencies.
- We will not supply sandbags in advance based on forecasts.
- If requests for supply or delivery are received during an emergency situation, we will consider them sympathetically on a case-by-case basis according to apparent vulnerability.
- We will encourage property owners in known flood areas to adopt a "self help" approach and prepare in advance and respond to forecasts or flood warnings. We will encourage people making enquiries for sandbags at these stages to look to local suppliers such as builders merchants where they can purchase them or possibly have them delivered. This will help to preserve our stocks for emergency response.
- The Environment Agency promotes self-help schemes and we will refer people to their website.
- Once issued to householders the disposal of contaminated sandbags following a flooding event will not be the responsibility of Wiltshire Council. Information can be provided on the most appropriate method of disposal but once issued the sandbags become the property of the occupier or organisation.

Notes:

1. We have limited supplies of sandbags and these can disappear quite quickly if we supply too soon.
2. We try and time it right but flooding is notoriously difficult to predict with any degree of accuracy.
3. Builders Merchants / sandbag supplier details for the various areas - see Builders Merchants in yellow pages or carry out a search on the internet.
4. Visit National Flood Forum for helpful advice www.floodforum.org.uk and supplier information from www.blupages.org.uk

Our Travels from Hong Kong to Vancouver

At around 5pm we took off for our very long flight to Hong Kong via Amman in Jordan and Bangkok.

The flight from Amman to Bangkok was almost empty but very interesting as we found ourselves sitting close to one of the air marshals.

He was born in the city of Petra and offered to escort us around if we ever went back to Jordan. He came from a very poor family with several siblings but managed to work his way up by guiding and became involved with security and eventually started work for various airlines helping to provide security.

Of course he didn't talk about his work, which was probably one of the most boring jobs most of the time, (and the highlights would probably be scary, to say the least, when you're actually sitting on a plane!) but he entertained us with stories of his life in Jordan until we landed in Bangkok.

We eventually arrived in Hong Kong at 8pm the following day certainly ready for a good night's sleep. We woke to a warm and very hazy morning and decided to visit Macau, which is one of the two Special Administrative Regions of the People's Republic of China, the other being Hong Kong. Macau lies on the western side of the Pearl River Delta, which is about 64 kilometres to the east of Hong Kong. With an estimated population of around 624,000 living in an area of 31.3 km², it is the most densely populated region in the world.

We made our way to the ferry terminal only to be told that today is a Chinese holiday and all the ferries were full so we walked along the harbour and waterfront looking at the many statues of famous people, Bruce Lee obviously being one of the most popular. On then to the Space Museum and Theatre before lying back on some benches in the park for a rest.

This however was NOT allowed!

Within minutes a park official came scurrying towards us and asked if we were ill and told us we must sit up properly! We felt like naughty children! We trudged off again to the ferry terminal to Macau. This time we were lucky enough to get a hydrofoils.

On arrival in Macau we were bombarded with taxi drivers wanting to take us around the sights but we fought our way through and started to walk. We quickly realised that a taxi tour was probably the best option in view of the fact that almost everyone in China appeared to be holidaying in one of the most densely populated areas of the world!!

We negotiated a deal and clambered aboard a very tatty old taxi with a non-English speaking driver/'guide' and headed off to the hills! (Were we totally mad??)

It actually turned out to be an extremely good tour - first to Fisherman's Wharf (not quite up to the standard of the one in San Fran!!), on to Kum lam temple and statue, (the most impressive of the 3 most famous temples), which looked magnificent against the setting sun, up to Penha Church for the fabulous views over the city and down for a stroll around Senado Square in the centre of town which has the wave patterned mosaic popular in Portuguese towns.

As it was nearly dark by this time we headed up to the ruins of St Paul's, now just a façade of the old church but hundreds of people gather there at this time of day to view the city and its many casinos all lit up against the night sky. Not quite Vegas but there were some very impressive buildings.

By this time it was after 9pm so we headed back to the ferry terminal knowing it would be busy. What an understatement! It was CHAOS! And 28 degrees, 95% humidity! Inside the terminal? - one huge mass of humanity trying to get back to Hong Kong! We did eventually get back around 11pm and walked down a busy Canton Road past the famous Peninsular Hotel and caught a bus to our hotel eventually dropping into bed at 12.30. Quite a day!

Over the next couple of days we explored the city and watched the laser and light show which happens every night at around 8pm when the Hong Kong financial district is lit to music.

We also spent a day on Hong Kong Island visiting Victoria Peak for the views, visited the Cenotaph, Happy Valley racecourse and then attended the Easter service at St John's Cathedral, a lovely thing to do so far from home.

We then caught a tram along Dried Seafood Street and up to the mid-levels before returning to the Star Ferry terminal to catch the boat back over to Kowloon and boarded our boat ready for our journey to South Korea and Japan...
