ENFORD PARISH TELEPHONE DIRECTORY 2015

Over the next few months the Enford Newsletter Committee will once more be gathering information for the updated Enford Parish telephone directory.

If you were not in the last directory and you wish to be in the new one, or if you were in it and no longer wish to be included please let either me (tanya@stbecker.plus.com, 01980 670345) or any member of the committee know.

If you know of any errors in the last directory, we would be very grateful if you could tell us what they are.

The process of collating the information will take a while but we would like to complete the 2015 version and send it out to all the houses in Enford by our last meeting in the Summer which is at the end of June.

See page 14.

ATTENTION ALL GARDENERS!

FROM THE PLANT STALL COMMITTEE OF ENFORD VILLAGE FETE

We seem to be gathering a good reputation from local gardeners who come in their droves to buy annual flowering plants, shrubs and perennials from the Plant Stall at the June Fete.

If any of you have a space in your greenhouse or on a windowsill for a few seed trays of Cosmos, Cleome, Larkspur or any other pretty flowering annuals I'd be really grateful as they are big sellers and the more the merrier!

I am happy to take them over once you've potted them on and they are ready to be left outside (i.e. about May, when all frost risk is over) if that would help you out.

VOLUNTEER(S) REQUIRED

On behalf of the Parish Council:

The Parish Council is looking for a volunteer(s) to assist with grass cutting in both the Community Garden and also at the Play Park.

Currently these areas are cut seven or eight times a year and we have been paying a contractor. Due to endless budget cuts from all strata of public finance, it would ultimately reduce the annual precept/Council Tax on each one of us in the Parish if someone would offer to take this job on. The Parish Council will cover the cost of fuel for your lawn mower.

If you have the time and commitment to the Parish, please contact

the Clerk – Elizabeth Harrison – on 01980 670034
eabh@btinternet.com

or the Chairman – Richard Roberts on 01980 671055 or email

ENFORD CYCLING

Enford Cycling Group aims to give riders of all experience the opportunity to explore some of our beautiful local countryside.

Weather permitting, we will run these every 4 weeks on the first Saturday of the month.

The next meeting will be on Saturday 4th April at 9.30am. The route will suit most abilities and will be from the Swan to a coffee stop and back - in the region of 15 miles.

If you are interested, please contact Nigel Murray on either 01980 671684 or by email at nigel.murray@spitfireuk.net - or indeed just turn up on the day.

Chris Tofield (Major Christopher Tofield) died aged 81

Chris Tofield and his wife Liz lived in Church Cottage by the Church for many years and were much involved with the village before deciding to move back to New Zealand around 1990 as Liz had been born and brought up there. Chris used to run the annual gymkhana on the recreation ground and in the days when there really was a Bakery at The Old Bakery, Liz used to deliver bread around the village. She wrote most months in the Newsletter giving recipes and general articles.

We would like to offer our condolences to Liz and to Alexandra their daughter, who some will also remember as she went to school locally.

ENFORD CAMERA CLUB

The March Camera Club Meeting looked at the Bokeh Effect in photography. We learned that simple techniques can produce very good Bokeh Effects using just a glass or cup and some Christmas tree lights! If you are not sure what the Bokeh Effect is, come along to the Camera Club meetings and learn a new skill. The resulting photographs, from a very enjoyable evening were stunning.

Next month we will be exploring time exposures and trying to create some spectacular effects which will simulate fireworks. This is on Thursday 2nd April at 8.00 pm at Enford Village Hall. Monthly subs are just £3. All are welcome.

We also be having our first outing of the year with a trip to London to see the Salt and Silver Photographic Exhibition at the Tate Britain, an exhibition devoted to photographs from the 1840's to 1860's. We will also be setting a Photographic Challenge while we are there. The date is Sunday April 12th. Friends and Family are welcome so if you would like to come along please contact Martin Webb before April 3rd at the following email address:

GARDENING CLUB MEETING REPORT

Marcel Dancer was the excellent speaker for the March meeting of the Garden Club. He showed beautiful pictures of three main groups of clematis and explained the mysteries of planting and pruning them which sometimes pose great problems for those that grow them. He also maintained that even if pruned at the wrong time they will almost certainly bounce back. Clematis are such a worthwhile addition to the garden and there are so many varieties that one or other can be in flower from winter right through the year. He brought a collection of plants with him and many were seen leaving the hall with new owners. I look forward to hearing how they settled in!

Parish Council Summary 10th March Meeting update

New Councillor Appointment

I'm sure you will all be pleased to know that the appointment of a new councillor was much more straight forward than the recent BBC series Casual Vacancy.

We had four very high quality applicants. Each gave a brief presentation about themselves and their reasons for wanting to become a councillor.

The vote was very close with a tie in the first round and Keron Taylor winning the second round by a single vote. We would like to welcome Keron to the council.

The other applicants were Diane Christie-Rundle, Mike Germany and Terry Mundy. We hope they all reapply as positions become available.

Military

As you have probably noticed there is increased military activity on the Plain at the moment with live firing into the Warminster area in addition to the central area. There have been increased reports of dog walkers crossing fences into the live firing area which is causing concern.

There were also reports of military vehicles using Water Lane. This area is out of bounds and our liaison officer has requested that the registration number of any vehicle should be reported and those involved will be disciplined.

Wiltshire Council

Cllr Howard provided an update on Wiltshire Council matters that affect us, including the introduction of a £40 annual charge for the collection of garden waste from green wheelie bins.

As always details of all the topics discussed can be found in the minutes of the meeting displayed on the village notice boards and at www.enfordnewsletter.org

COUNCIL TAX – ENFORD PARISH COUNCIL

You may have noticed on your Council Tax Bill for 2015/16 the Enford Parish Council charge has increased by 51.4% although the overall difference compared to the previous years is only 1.0%. The charge for Enford is considerably lower than the average for Town and Parish Councils and whilst it fluctuates each year, depending on any monies carried forward, it usually sits within a £5k to £8k band. This is demonstrated by the fact that the charge for 2015 is actually 14.3% lower than in 2010, last years was also lower than the previous year by 25.7%.

The Precept (the money we demand from Wiltshire Council) for Enford is used to ensure the basic amenities of the Parish are properly maintained for the good of the village, donations are also given to a number of local organisations including the Youth Club and Football Club.

You can view the total EPC forecast spend for 2015/16 on the Enford Newsletter website, follow the link Parish Archive – Documents – Category- Parish Council. If you have any further queries please do not hesitate to contact any of your Parish Council Members or give me a call on **671055**.

Community Beat Manager writes:

There has been a return of the letters telling recipients they have won a lottery they did not know they had entered. Please remember that this is not possible.

The latest one comes from Ireland, and tells the addressee of the fortune to be Collected. Close scrutiny reveals that the recipient may be the winner of millions, if he or she sends £10 to an address where someone will buy them a lottery ticket!

As such it may not be unlawful. Please keep us informed of scams doing the rounds, and remember you have the best chance of winning a lottery if you actually buy a ticket.
