New Bench Seat At The Play Park

Councillors Jane Young and Michael Fay, supported by our local Police Officer Tim Bunt working hard to replace the old wooden seat with a modern bench seat.

Dr Peter Jenkins Is Retiring From General Practice

I will be retiring from Avon Valley Practice on 30 June 2015. I've thoroughly enjoyed my 40 years as a GP and will take my clinical expertise with me as I help shape health services for the whole of Wiltshire in my new role as Chair of Wiltshire Clinical Commissioning Group. To say farewell, I would like to invite you to afternoon tea on Monday 29 June from 1330 to 1600 at Upavon Surgery. Please RSVP to avonvalley.practice@nhs.net by 22 June.'

What will happen next at Avon Valley Practice?

We will be working closely with four neighbouring surgeries in Shrewton, Codford, Wilton and Fovant (known as The Orchard Partnership) to manage primary care services in the local area. Each surgery is small, offering care to 3,000 patients or less at a local level. To help small practices like us to continue to provide primary care to local people we need the strength that comes from working collaboratively with other similar sized practices in the area. From a patient point of view you will not see any change to the level of service that you receive and you will still be able to see a doctor at your usual practice.

How will this affect me?

Dr Fiona Ross Russell, Dr Ian Green and Dr Edward Millar-Craig together with our nursing team will continue to provide your primary care needs. Alongside them, our team of receptionists, dispensers and administrators will continue to support them. The day to day running of Avon Valley practice and those in The Orchard Partnership will not change and you can still expect to see familiar faces when you come for your appointment.

TESTAMENT OF YOUTH

Testament of Youth is a powerful coming-of-age story which tackles love, war, loss and remembrance. It's based on the beloved WW1 memoir by Vera Brittain, which was a bestseller on publication, heralded as the voice of a generation. It is a key witness account of WW1, which continues to resonate because it is above all a personal story of how one person faces war and tragedy, and rises above them.

Reported incidents:

In Grants Road, an offender scratched the side of a parked car. Hare coursers were seen near Littlecott, too far away for police to get to them.

Community Beat Manager writes:

As the summer approaches, and the days get warmer, please give a thought to home security. In hot weather, ensure that patio doors are only left open when there is someone around. Remember to lock all doors and close ground floor windows at night, taking especial care of windows which overlook flat roofs.

A rogue gardener/tree surgeon has been seen off in the last few days, offering to do work for an elderly man, but the family got to hear about it and the gardener made off without asking for payment. If you have elderly relatives, try to supervise any local jobs they may take on.

"Romantic, haunting vocals together with Celtic fused, emotive guitar..."

"We strive to create a beautiful and powerful atmosphere to support our Celtic-Gothic music. Tales of castles in the mists, Goddesses, ghosts and alchemists abound.

We like to take the audience on a journey with us - crossing wild seas, running through dark woods, roaming castle turrets, encountering ghostly maidens in the moonlight - all through our music. Ours is a highly professional show with sequenced lighting, props and costumes, all of which help us to create a very special and meaningful atmosphere for each song"

ENFORD COMMUNITY FUND

A number of requests were considered by the committee at the March round of funding and the following awards were made:

The sum of £200 was promised to the organisational team of the World War One Commemoration that is to take place later in the year, enabling them to provide some free entertainments for children in the afternoon. The sum of up to £800 was promised to the Youth Club to help fund their trip to Oxenwood outdoors centre in July. This is a fantastic opportunity for children to take part in activities that they might otherwise miss out on because of the expense. Finally, the sum of £160 was awarded to the Parish Council to help fund a new notice board for the village. The old one is now very fragile and has come to the end of its life .

The Enford Community Fund comprises all the profits from the fete and fireworks events and is there to help community projects within the Parish of Enford comprising Enford, East and West Chisenbury, Coombe, Compton, Fifield, Littlecott, Longstreet and New Town. So if you run or are considering setting up a project and might need help with initial costs or equipment, please get in touch.

Applications for awards must be made to the treasurer – Amanda Farrow – by email or letter no later than the first day of the award month (March & September). amanda.farrow@chisenbury.co.uk or 537 East Chisenbury.

The following guidelines will be followed in allocating funds

1. Awards will be considered every 6 months in March and September
2. Awards will be made for individual projects and are not designed to allow awardees to become reliant on the award on an annual/regular basis
3. Awards will be made to causes that benefit the community and not specific individuals
4. No awards will be made for greater than £1000
5. For any award to be granted there must be agreement by at least 75% of the funding committee

Copies of the community fund accounts and list of awards and donations made to date is available on the Enford Community page of the Enford Newsletter Website

In aid of Enford Church Roof Repairs

Funds are urgently required to repair our leaking Church Roof

Please will you help?

This Fund Raising project was launched at the Hub on Thursday 7th May. It is running well with many willing ladies taking part 26 so far. Everyone is welcome. The advantage of this particular fund raising idea is twofold. We create much needed funds for All Saints Church Enford and at the same time we are helping those who are in need of tender loving care.

We are making 4.5 inch squares in order to create 'Knee Blankets' which will be given to the residents of The Camelot Care Home, Amesbury and the residents of The Salisbury Hospice, Odstock Road, Salisbury.

As soon as you have a number of completed squares please will you hand them in to any one of the names that appear below. The knee blankets can then begin to materialize.

There will be a meeting of knitters and those who crochet at The Hub on the morning of Thursday 18th June. Please do come along to share your ideas and bring your squares.

We will keep you updated as to our progress in each monthly Enford Newsletter.

If you would like to take part please obtain a sponsorship form and facts sheet from

A Team Vicar’s Musing

I realised the other day that June is a month of change in all sorts of ways. The rugby union season comes to an end and the cricket season is in full swing; the fishing season begins; fetes and festivals are all around us; hopefully the weather starts giving us the long hazy days of summer and in the church we have the season of Trinity.

At the end of May we had the celebrations of Pentecost and Trinity Sunday. The first is the Sunday when we remember the gift of the Holy Spirit being given to the first disciples who then went about the business of telling people about God from a Christian perspective. Some people talk about it being the birthday of the Christian church. Trinity Sunday is when we remember the Trinitarian aspect of God (ask me if you want to know more as it is too long to put into these musings) and that Christ is part of that Trinity.

Now the season of Trinity gives us the chance to consider what that means for us – and the season is very long (about 21 weeks) so obviously we need a long time to ponder! Perhaps you would like to join me in pondering these questions:

- What does God mean to me?
- Where do I see God’s love in my life and the world around me?
- When have I shown God’s love to others?
- Who has helped me see God love?
- How do the above answers impact on my life?

Not easy questions to ponder and if you want to mull them over with someone do feel free to contact me or any other priest in the Team.

In the meantime I hope that the hazy days of summer come your way and that peace prevails in our world.

Rachel Bussey
Team Vicar

THANK YOU

I would like to thank, personally, all of my caring friends in Enford for their kind thoughts on the death of my husband John Dean.

I would also like to thank Katrina for always being there for John and me over the years. I don’t know what we would have done without you.

After John’s service, we came back to The Swan to celebrate John’s life and what a wonderful spread Pete put before us. It was excellent food in memory of a amazing man and I was so pleased. You did us proud, Pete. Thank you.

ENFORD CHURCH SUNDAY 14th MAY

Lots of crafts. Children must bring an adult!
Why not come and join us and discover more?

**So that we can make sure we have enough craft and food,
please do let us know if you are coming**

“THE HUB”

**EVERY THURSDAY AT THE SWAN – ENFORD
9.30AM – 11.30AM**

**Come and Join us at The Swan
For a coffee and a chat
There’s plenty of smiles
And cakes by the stack!**

**Nine thirty too early?
Then coffee at ten o’clock
You’ll still be very welcome
The door will not be locked!**

**The cakes are homemade
By ladies who have the time
To treat us to their goodies
And to forget our ‘trim’ waistlines!**

**It’s The Hub at The Swan
But often a buzz abounds
We welcome babies to the elderly
And folk from all around**

“Come and join us”

Doreen Fay

UPDATE FOR SPONSORED DOG WALK

**I can now announce that this will take place on Saturday 13th June
1000hrs starting from the Village Hall.
Duration will be 5 miles in total
In aid of SSAFA.**

For those of you who would like a sponsor form, please contact me by the 6th June so you can collect it from me.

What better way of combining what should be a very pleasant way of socialising with friends, old and new, with fund raising for a very worthy cause?

If you do not have a dog, either your own or others, please feel free to join me, Toffee and others as I am sure you will benefit just as well.

The route is a well used track that I know people enjoy walking along and I hope you will find the same.

**For more information contact me, CE Burge
07817 121698/ ceb559@ hotmail.co.uk**

NB Dogs—please keep your owners/walkers under control at all times!

RAISING FUNDS FOR THE NEPAL EARTHQUAKE APPEAL

Once again I had a very enjoyable evening at Tidworth Garrison, where there was a Charity Concert held for the Nepal Earthquake Appeal.

We were entertained by the Tidworth Military Band and the Tidworth and Salisbury Plain Military Wives Choir, followed by a lovely display of dancing by members of the Nepalese Community.

The evening ended with some lovely singing from the ladies of the band.

It was announced that a total of £3,000 was raised that night. Well done.

I have finally got a contact to send aid out to Nepal so if anyone has blankets, towels, clothing etc and would like to donate them, please could you leave them in in my garage.

Many thanks
Jane Young

GARDENING CLUB MEETING REPORT

Wild flowers are very much in vogue at the moment and the Garden Club was fortunate to have Robert Hardy come and talk on the subject. He divided the environment into areas and began with meadows, where we would find daisies, clover and buttercups appearing among the grasses which are then grazed by cattle. A similar environment is chalk downland which is best in early summer as the soil is thin and dries out early but has cowslips and orchids as well, very familiar to those walking on the Plain. Woodlands with beech and oak and hawthorn encourage wild daffodils, wood anemones, wild garlic and of course bluebells. The list is long and animals and insects thrive in all these environments. Wetlands and coastal areas completed the talk which was fascinating and instructive. A very worthwhile talk.
