ENFORD DEFIBRILLATOR

The defibrillator is in a yellow box on the wall of Hill House, 9 Longstreet, SN9 6DD Grid Ref SU142515.

It is located in the centre of Enford 25 m north of The Swan next to the parish notice boards.

If you think you need to use the defibrillator call 999. The Emergency Service will give you the code to get into the cabinet.

YOU CAN READ MORE ABOUT IT AT, WWW.ENFORDNEWSLETTER.ORG WHERE YOU WILL ALSO FIND A LINK TO A SHORT VIDEO SHOWING YOU HOW TO USE IT.

ENFORD PARISH COUNCIL

PLANNING APPLICATIONS

Gypsy and Traveller Caravan Site. At our PC meeting on the 17th November the village hall was packed with approximately 70 residents, the open question session lasted one and a half hours exploring the details of the plans for this application. At the public meeting held in Netheravon 140 residents discussed and summarised their concerns about this site, these findings were also presented to the Enford Parish residents. At the close of public questions the Councillors discussed the “material considerations” and decided for a number of reasons but primarily on the grounds of the extremely dangerous entrance/exit to the site to oppose the application. **If you would like to comment on the suitability of this site please write, (Wiltshire Council, PO Box 2281, Salisbury SP2 2HX, email developmentmanagementeast@wiltshire.gov.uk) or use the online link, please quote ref. no. 15/05529/FUL.**

Two other planning applications, one for an extension the other for a garage and store in East Chisenbury were considered, whilst one was supported the other required further information before a decision could be made.

Solar Farm - Coombe. This application although received by Wiltshire Council has still not been formally registered. I have received a further two responses, one from Claire Perry MP advising that the Department for Energy & Climate Change will later give a decision on the issue of incomplete planning application, and a letter from the Minister of State outlining the conditions to be met for applications received on 22nd July 2015. In summary these are,

- 1) a grid connection offer and acceptance by BSR no later than 22nd July.
- 2) A Director's Certificate confirming ownership of the land, lease of the land, an option to purchase or lease the land or the developer is party to an exclusivity agreement to the land as of or no later than 22nd July 2015.
- 3) Confirmation that a planning application had been received by the relevant planning authority no later than 22nd July. This is the point we are awaiting a response from the Department. It is our view that these three conditions may not have been met.

Flooding. Whilst it is not the Parish Councils responsibility to protect private residents property from flooding we are keen to help, we have taken delivery of a large quantity of sand, sandbags, warning signs and tabards. [Steve Crompton](#) has kindly volunteered to be our Flood Warden. We are currently completing an Emergency Plan to assist in supporting the Parish in the event of severe snow or flooding. We are also keeping our fingers crossed.

Drugs. At the Tidworth Area Board meeting Inspector Christian Lange reported concern over the selling of drugs from 18 year olds to younger teenagers. At 10.30am on Sunday 8th November in EAST CHISENBURY a vehicle and personal search revealed drugs, an individual was subsequently charged with possession of a class B drug. I am not sure if this incident was connected with the reported rave on the training area that weekend. Parents of teenagers should be particularly alert to this problem.

Speedwatch. At last our camera has been found by Wiltshire Police after it was sent for recalibration, stay alert to your speed as checks will resume shortly.

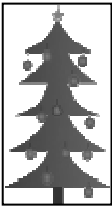

Highways. The re-surfacing on the A345 from Enford Hill to West Chisenbury is currently scheduled to happen between 27th Nov. to 3rd December 2015

Enford and Avon Valley Youth Club

Now the dark winter evenings are upon us our activities are restricted to inside the hall. This doesn't stop us having a good variety of great activities and games, and we always manage to finish with Dodge Ball, just to get rid of any surplus energy!

Our Fancy Dress Hallowe'en Party had some very strange games, including the challenge to turn people into Mummies, and also trying to catch and eat swinging doughnuts without using hands!

We are having a Carol Service on Friday 18th December at 7pm in Enford Church and we hope parents, friends and the people of Enford and beyond will join us. Everyone is welcome!

URGENT APPEAL

We desperately need more adult helpers. This doesn't have to be every week so any time you can spare would be appreciated. If you are interested please come along to the Youth Club on a Friday evening and have a chat with us. All leaders/helpers are CRB checked. If we don't have enough leaders on a club night we have to cancel the evening.

Youth Club at Enford Village Hall every Friday from 6pm to 8pm.

The last Youth Club this year is the Carol Service on 18th December

The first Youth Club will be Friday 6th January 2016

A Truly Rural Setting for Remembrance Day

This year the Rt Reverend Edward Condry, Bishop of Ramsbury, conducted the outdoor Remembrance Day Service at the War Memorial Lychgate which was attended by over 60 people.

The bugler was Andrew Mellor and the keyboard was played by Ute Schwarting from Salisbury. The Collection was in aid of SSAFA Wiltshire.

Wreaths were laid by Bob Taylor, who also read out the names of the Fallen, by John Poole-Warren on behalf of the Parochial Church Council, by Nigel Murray on behalf of the Parish Council and by Enford Youth Club.

Rhys Teasdale from Enford Youth Club read a poem recalling the sacrifice made by those who served.

“he prayeth best who loveth best ,all things both great and small. For the dear God who loveth us, he made and loveth all”

(Rime of the Ancient Mariner)

KNITTED NATIVITY SET

Every year we ask families in Enford if they would like to give shelter to this hand-knitted Holy Family on their journey to Bethlehem during Advent. We compile a list of those who would like to take part and ask that you look after them carefully and deliver them to the next home on the list on the correct day.

Enclosed in the set are: Mary & Joseph, with a donkey, Jesus in a manger, an angel, two shepherds, Three Kings, a number of sheep (please keep one (sheep) and bring it to the Crib Service in Enford Church on Christmas Eve at 4.00pm)

If you would like to be part of this journey please contact Fanny Middleton on 671645.

WANTED

Enford Community Hallowe'en and Fireworks Event 2015

With all the rain that has been falling recently we were incredibly lucky that the evening of our annual Hallowe'en and Fireworks Night, which took place on Saturday 31st October, was clear, still and quite mild. Whilst not quite matching the record numbers of last year, we still had a very big crowd and it was great to see so many local residents mingling with folk from further afield. Well, we do like to think it's the best fireworks display in the area! Once again Steve, Mike and the team from SmART Pyro put on the most magnificent firework display. SmART Pyro are internationally recognised as one of the best display teams in the world and we are both incredibly lucky and extremely grateful to them for their continued support of our event. Without their generosity, the fireworks could not be such a success.

The children's fancy dress was hugely popular, with so many entries that it had to be judged in two stages! The eventual joint winners were Harriet and Isaac McLaughlin, who came along from Collingbourne Ducis. There was a very high standard in the pumpkin competition with Millie Stagg being awarded overall winner for her intricate carving skills!

No event can take place without the help of many very kind volunteers and our thanks go to: Barry Chamberlain for another superb "Guy"; John Poole-Warren, for the difficult task of judging the pumpkins; Brittany Manning, who had the tricky task of judging the fancy dress; Richard Pettitt, Margaret and Martin Webb and Rhys Teasdale for all their hard work on the BBQ; Simon and Mary Campbell, Ollie Stagg, Linda Mundy and Debbie, Aimee and Ollie Brown for running the drinks stall; Martin and Steve on the gate and of course our ace parking team of Hamish Scott-Dagleish, Steve Becker and David Spencer, who had one of the hardest tasks of all to get the enormous number of cars safely in and out of the car parking field. A few cars did get stuck getting out and our thanks to David Smail, Rory Plank and all who helped with the pushing! Finally our thanks also go to the Village Hall Committee for the use of the hall and grounds; Bridget Holden for producing the notice boards, Team Red Lion for again supplying the onions for the BBQ and everyone who stayed behind to help clear up.

The Enford Community Fund

At the latest round of funding in September, the ECF received an application from the Newsletter for help toward the cost of producing the new Enford telephone directory. The application was unanimously approved and the sum of £97 was awarded. We would like to take this opportunity to remind everyone about the Enford Community Fund. The fund comprises all the profits from the fete and fireworks events and is there to help community projects within our parish, the Parish of Enford comprising Enford, East and West Chisenbury, Coombe, Compton, Fifield, Littlecott, Longstreet and New Town. So if you run, or are considering setting up, a project that might need help with initial costs or equipment, please get in touch.

The following guidelines will be followed in allocating funds

1. Awards will be considered every 6 months in March and September
2. Awards will be made for individual projects and are not designed to allow awardees to become reliant on the award on an annual/regular basis
3. Awards will be made to causes that benefit the community and not specific individuals
4. No awards will be made for greater than £1000
5. For any award to be granted there must be agreement by at least 75% of the funding committee

Latest copies of the community fund accounts and list of awards and donations made to date is available on the Enford Community page of the Enford Newsletter Website

MISSING ROAD SIGN - COOMBE LANE/JUNCTION C32

About 0700hrs on Mon 24 Nov 14, the road sign showing 'COOMBE LANE, No Through Road', was found lying on the ground at the junction of Coombe Lane and the C32 road. The securing bracket had been bent thus requiring replacement. Therefore on Thu 27 Nov 14, the sign was delivered, via Enford Parish Council to the Wiltshire Council Highways officer covering the Enford area, together with a request for repairs to be undertaken.

Despite regular reminders from Enford Parish Council, repairs/replacement was not undertaken, therefore on Mon 13 Jul 15, I reported the matter to Wilts Council via their 'on-line' reporting system. (Report no 333741 ref). That report, five months on, is still showing the status of 'Under Review'. Even worse, twelve months have elapsed since the initial report without action.

Although, in the general scheme of things, this is only a very minor event I don't believe it would be tolerated in one of our county towns, e g Trowbridge or Salisbury. I would, therefore, encourage any resident who wants their sign returned, to submit addition reports in the hope of exerting a little pressure and perhaps embarrassment on Wiltshire Council

Thank you
Norman Beardsley

Gill Thompson who lives in Upavon, came to our November meeting and showed us how to make some very stylish arrangements for Christmas. They ranged from two styles of wreaths for the door to a very simple, white painted branch with tiny lights and some sparkly decorations. Table arrangements and miniature trees seemed to appear like magic and everyone was very keen to try to recreate their favourite for themselves. Gill emphasised that simple was best and that this could easily be achieved with natural ingredients, a few shop decorations and some patience! It was a very happy and relaxed evening.

A Team Vicar’s Musings

Oh dear! It’s that time of year again when the nights are long, the weather is cold (although I am writing this on a warm November morning I assume that the weather will change soon) and we have Christmas. For some this is not a difficult issue, it is enjoyable to walk in the crisp winter days, curling up with hot chocolate or a bowl of soup afterwards. Then not having to make decisions on whether it will be outside work or inside work; for in cold evenings, unless you have to, it will always be inside activities. And Christmas is a time when we can get together with family and friends.

However, dark nights and cold days mean that we don’t always see people to chat to and Christmas is a lonely time if you have no family or friends. So it is easy to forget those who need extra help because they are not so visible. Who haven’t got the money to heat their homes adequately or to purchase nutritious food and then cook it.

Christ came into this world in poverty and hardship; he met, talked and ate with those on the margins of society and encouraged people to ignore the social boundaries of the day. Could we, this winter, put a little more effort into looking after those near us and to make contact with family and friends we haven’t heard from lately? It wouldn’t be take that much effort to make an extra portion of soup to give to someone, or offer to take someone shopping or to pop round for an hour to have a chat. Christmas cards are an easy way to contact someone as is a short telephone call.

Christmas is the time for enjoyment as we celebrate one of the major feasts in the Christian year but it will mean nothing if all we do is take, think of ourselves and not remember what God did that first Christmas. God took the form of a baby, vulnerable and weak to help us see what love is all about. How will you show and share that love?

May God’s blessing be with you, your family and friends, always.

Rachel
Team Vicar

Sponsored Knit / Crochet 2015

A huge thank you to everyone who has contributed to this fund raising initiative to raise much needed funds towards the repair of All Saints Church Roof, Enford. Ladies, without your amazing number of knitted and crochet squares – in excess of 1400 – this project would not have been possible, thank you for being so generous with your time. It has taken 6 months - from 7th May - to assemble the knee blankets, we have achieved 33.

A very special thank you must go to Jacki Brightman. Jacki has been a tower of strength and has helped tirelessly to assemble a large number of the blankets. Her talent, enthusiasm and dedication has been very much appreciated. Thank you to all those who came to see the display of blankets in the Village Hall on 24th October.

Thank you again to all the helpers and ladies who gave

such delicious food, the evening raised £205.31.

Knee blankets will be taken to the Salisbury Hospice and the Camelot Care home, Amesbury. Some will be sent to Saltash (Cornwall) in grateful thanks for a very generous donation of £212. These blankets will be donated to various care homes in Saltash. Blankets will be given to care homes locally wherever possible. We do have a small surplus, if anyone would like to purchase one, do please contact any of the names below.

To date we have raised £1800. In the February issue of the Enford Newsletter the total amount will be published, a heartfelt thanks to you all.

Lowenna Harbottle, Jacki Brightman , Amanda Murray

THANK YOU FROM THE PAROCHIAL CHURCH COUNCIL

The Parochial Church Council are hugely appreciative of the efforts made by Lowenna Harbottle and Jackie Bridgeman in contributing to the church Roof Repair Fund through their marvellous work on leading on the making of so many colourful knee blankets. Not only will local hospices and other care homes benefit from the result of so many people's labours but the significant sum raised - of over £1700 - will be a valuable addition to the funds needed to keep the church watertight.

We have leaks in the valley of the North Aisle and on the Tower roof and the cost of redoing these large areas is in the order of £100,000. Whilst we go about seeking grant funding for that major sum the "blanket" contribution will enable us to keep the water at bay with temporary patching - very much a case of every little helps!

Thank you then to Lowenna, Jackie and everyone involved in this huge community effort.

Churchwardens John and Henry
