FLOODING NO MORE (we hope)

Most of you will have noticed that new drains have been fitted between the Old Bakery and The Swan comprising of “storm-type” manhole covers and extra-large pipes to take the water away.

The aim of this work has been to provide more drainage capacity to take away the surface water that accumulates on the road between the Old Bakery and The Swan if, and when, the springs burst through the road.

So, hopefully we will not have to wear wellies to get to the Swan - on the last occurrence in 2014 the road did not clear for 7 weeks!

AUDREY GOODRICH

On 3rd March Audrey Goodrich sadly passed away at the age of 93 years. Audrey had lived in Enford for many years and had always been an active member of the community. She would often be seen walking around the village and to the bus stop on Enford Hill.

For the last few years she had, each month, carried and delivered a large bundle of Enford Newsletters up the hill to all the houses in Grants Road. She did this right up until the month before she died. The Newsletter Committee were very grateful for her help and I am sure the residents of Grants Road feel the same.

Audrey will be missed by so many of us in very many different ways as each of us will have our own memories of how she touched our lives.

Thank you, Audrey.

JANE TAYLOR AND LIZ LIPSCOMBE CONCERT

On Saturday 5th March Enford Village Hall was the venue for a fabulous evening of music performed by Jane Taylor (one of the most inspiring song writers of her generation, *The Independent*) and Liz Lipscombe, violinist (one half of the well known duo, Elektra and soloist).

Their enthusiasm and energy was magnetic and it was easy to see why the two friends perform so well together. After a session with Jane singing and playing guitar accompanied by Liz on the violin, Liz took to the floor playing solo some more popular pieces.

At the end of the performance we all knew that we had been treated to a very special evening of music.

A huge thank you must be said to both performers but a special thank you must be given to Liz in particular. Liz is a resident of Enford, moving here just over a year ago. She wanted to do something for the community by sharing her love of music and performance with us all.

Without a doubt she achieved this ... so 'thank you, Liz'.

A Team Vicar’s Musings

Do you ever have those days when you think that you have done everything and then find out that the most important things hasn't been done? Well today is one of those, in fact it was these musings that I had forgotten about.

You see I put the date in my diary every month and usually manage to do them beforehand. This month, for some reason or another, I ignored the note in my diary and had to be reminded. But it has caused me to think of how many other times this has happened and no-one has reminded me; so I offer my apologies if I have ever forgotten to do something for you.

It also showed me how easily it is to ignore something once the first glance has happened. I think we do this often, just think of how we behave after seeing the news with the stories of refugees, or victims of war. Do we continue to remember them or are they “out of sight out of mind”?

We might not be able to do anything physically for them but we can always remember to pray for them. Prayer is a good way of helping people when you feel inadequate and are not certain what can be done. By praying for someone we are remembering them, this in turn means that they are someone and not just a number.

Each week in our pew sheets we list those who have asked for prayers to be said by the church community; if you would like the church to pray for you do let me know. In the meantime, do pray for us as we look for a new Team Rector.

With blessings,

Rachel

For the March meeting the Garden Club held a Question and Answer session which proved to be a success with the members. The questions were very varied and eradicate red hot pokers (the plant that is) or what plants like shade and dry soil. The shared knowledge of gardening, the successes and failures are very helpful and I think we all benefited from the evening and our Q. & A. will certainly be repeated.

DURRINGTON SURGERY IS TEMPORARILY CLOSING

Our extension at Durrington Surgery is progressing well and we are on schedule to close on 31st March 2016 so that the final stage of the works can go ahead. We expect to re-open Durrington Surgery on the 1st June 2016.

During April and May we will be operating solely from Upavon Surgery. This means our space will be very limited and we will need to change our appointment schedules to accommodate services. The revised schedule will be as follows:

We will be open from 0800 to 1830, Monday to Friday, with a later finish of 1930 on Mondays.

During this time, and following the success of our walk-in service offered since January, we will be offering a GP walk-in service on MONDAY MORNINGS and FRIDAY MORNINGS. This means that if you arrive at Upavon Surgery before 1130am you will be seen by a GP. The service will work on a first come, first served basis. Please understand that although you will be seen by a GP, you may need to sit and wait.

If you normally collect your medication from Durrington Surgery, you will either need to collect from Netheravon Shop or Upavon Surgery. If you wish to collect from Netheravon Shop, please let us know. If you decide to collect from Upavon Surgery, you do not need to let us know.

If you need to order repeat medication, please use one of the following services:

Access your online account (you will need to obtain your username and password if you have not already activated this service)

Or

Fax your request to 01980 630393

Or

Post to Avon Valley Practice, Upavon Surgery, 43 Fairfield, Upavon, Wiltshire, SN9 6DZ

Or

Drop off your paper request at Netheravon Village Shop

Or

Put in a request in person at Upavon Surgery

To ease the burden of ordering repeat prescriptions, we will be issuing post-dated prescriptions when requested in person or when using paper. This means you will be able to take home two or three prescriptions that you can later take to the chemist when needed or request that they are sent to your nominated pharmacy electronically. Please note you will not be able to obtain the medication until nearer to the date detailed on the prescription.

If you do not have access to our online services, we very much recommend that you consider using it – it is very easy and straightforward, simply request a username and password at either Upavon or Durrington Surgeries before 31st March.

Access enables you to book appointments, order repeat prescriptions and view your test results and medical records online. Please ask at Reception and remember to bring photo ID.

We are aware we need to make more appointments available for our patients, and please be assured that we are continuing to look for another GP to join us. We have increased our nursing hours and the range of services delivered by the nursing team to help meet demand, although we realise this is not the full solution.

In the meantime, please accept our sincere apologies for any inconvenience caused whilst the work is carried out to improve our surgery.

Thank you very much for your patience and understanding during the disruption.
