WANTED

CHAIRMAN/PRODUCER/EDITOR OF ENFORD NEWSLETTER

The Newsletter Committee is looking for someone who would be able to take over the role of chairing and/or producing the Enford Newsletter due to my leaving the area within the next few months.

There are 7 other committee members who would support you in this role. They are a very friendly group and so our meetings are very informal with a lot of laughter.

I have produced the Newsletter for the past 10 years and have found it extremely enjoyable. Through it I have made many friends and have got to know many more people in our community than I otherwise would have done.

Please let me know if you would be interested to find out more about what it involves.

Enford and Avon Valley Youth Club

Hi to all, my name is Jonah and I'm the new Chairman for the Enford & Avon Valley Youth club.

Due to circumstances beyond my control, I have had to suspend the club till the 8th July 2016, when we will be re-opening with a bang. Being a member of Youth Action Wiltshire, we have a responsibility and a legal requirement to the children and young adults in our care on a Friday evening. All my Youth Leaders are required by law to be DBS checked, have some formal training in safeguarding, youth leadership and first aid. To their credit this is almost complete.

If any parent or guardian would like to help out at the club once or twice a month they would require a DBS check. The more volunteers we have the less opportunity for the club to close.

If you are interested please email me at jonahmt1967@gmail.com or come and see me at the club on the 8th July and we can start the process.

Kind regards
Jonah

All Welcome

Last Month's Meeting

The speaker for the May meeting brought summer into the hall with beautiful slides of the roses and gardens of Mottisfont Abbey Gardens. Thomas Stone took us through the development of the gardens planned by Graham Stuart Thomas in 1971. He discovered many old varieties of roses thought to have been lost or not seen for hundreds of years from China, Europe and even East Germany, thanks to the Berlin Wall being demolished. His slides showed the lovely borders overflowing with roses intermingled with giant white foxgloves, irises, catmint, alliums and bordered in deep blue lavender. There are so many varieties of roses being grown at Mottisfont – Galicia, Bourbon, Shrub, Moss and great banks of climbers and ramblers that we were almost overcome by their colours and blooms. It is a truly wonderful collection and a great tribute to one man's passion and vision which continues today. Do go and visit..

ENFORD PARISH COUNCIL CHAIRMAN'S REPORT 2015/16

The Annual Parish Meeting took place on Wednesday 11th May. The following is the report from the chairman of the Parish Council

What is a Parish Council?

'Councils are the first layer of local government. They are elected local authorities, which aim to engage local people and respond to their needs, through representation as community advocates or by providing services. Activities are varied and diverse and have a range of functions, as community representatives on other bodies, powers to provide facilities, powers to be notified of proposals and surveys and other miscellaneous powers.'

I have included the above summary as a reminder of the main purpose of the Parish Council and can report we have had an extremely busy year fulfilling this brief.

The proposed application from BSRs for the Solar Farm at Coombe created a flurry of activity. Local residents were clearly opposed and the PC quickly responded to support their objections. We formed a small subcommittee and through weekly meetings undertook a number of activities. These included research to understand government policy (extremely difficult), visiting other PCs, communicating with Claire Perry MP and the Department of Energy & Climate Change, Archaeologists and many more bodies. We raised a fighting fund from residents which I am pleased to confirm was not used and the cheques have now been destroyed. We were delighted to hear that BSRs decided not to proceed with the application.

As many residents objected, we attended the consultation meeting re the proposed closure of the Everleigh recycling centre, we are pleased that WC decided it should remain open five days per week.

The application for the Gypsy and Traveller caravan site created a storm of emotions from local residents, generating literally hundreds of emails and other correspondence. We engaged with Netheravon and Fittleton PCs and worked, almost full time, methodically examining the application and presenting detailed valid objections to the proposal. Wiltshire Council rejected the application.

Last season the Community Garden and Playpark were maintained by Parish Councillors and other volunteers. This year we have engaged contractors and they have made a great start. Councillors, helped by our local police officer, installed a new bench seat in the Playpark and more recently we have renewed the basketball board and hoop.

The Parish Plan has been adopted by the PC. Steve Becker and the Steering Committee deserve recognition for their excellent work. We have produced a simple emergency flood plan and established a stockpile of sandbags and other equipment, we hope never to have to use them!

To help with our aim to be more visible within the Parish we installed a new, much clearer, notice board and each month published in the Newsletter photographs and articles showing just some of the many activities Councillors engage in.

This year we have increased the precept as by building our financial base it will enable us to do more for the community and also enable us to hold a contingency fund for any unforeseen maintenance or emergencies.

I would like to thank WC Charles Howard and the Clerk EPC for their support and more importantly, on behalf of all residents, thank the Parish Councillors who all undertake an area of responsibility and various activities, volunteering their time and efforts in helping make Enford Parish a great place to live.

Richard Roberts
Chairman Enford Parish Council

Carers Week 6th-12th June

Caring is part of being human and at the heart of family life. As our population ages and people live longer, often with complex health conditions, more and more of us will find ourselves caring with 3 in 5 of us becoming carers at some point in our lives.

A carer is anyone who cares, unpaid, for a family member or friend who cannot manage without their support. They might look after someone with a physical disability, long term health condition, mental health issue or a problem with substance misuse.

Many people don't identify themselves as carers, they feel they are just doing what anyone else would so they don't always know what support is available to them.

Carer Support Wiltshire is a local charity supporting carers in Wiltshire. They help them to access support, services, education and training and breaks from their caring role. As part of **Carers Week (6th-12th June)** they will be celebrating the contribution unpaid carers make to families and communities in Wiltshire with their **Walk a Mile in My Shoes** sponsored walk. Walkers are encouraged to decorate their trainers or swap shoes with a relative or friend and show their support for carers. The walk will take place at John Coles Park in Chippenham. You can find out more at www.carersinwiltshire.co.uk or telephone 01380 871690.

Avon Valley Cricket Club

AVCC have started the season with 4 wins out of 4, very unusual as close followers of the club's progress will agree.

We started with an 18 run T20 victory over Friends of Stonehenge School on a new (and really nice) Amesbury ground at Archers Gate. We followed up with a 9 wicket win, chasing down 201 against Aldbourne at the former county ground of Westbury.

Next, we beat Poulshot away in their first game for 15 years, chasing down a T20 88 runs for 4 wickets (with only 8 players).

Finally on 15 May, we managed to beat close rivals, Marden by 65 runs in the Richard Cox Memorial match in our first home game on our Rushall ground, which was looking a picture in the sunshine.

With a combination of donated tea money and hefty fines for good and bad play, we managed to raise a healthy sum for Wiltshire Air Ambulance, Richard's favourite charity.

This is village cricket at its best with the only requirements being enthusiasm, not taking it too seriously and a white shirt. We very much welcome anyone who'd like to give it a go. We play most Wednesday evenings and Sunday afternoons.

A Team Vicar's Musings

By the time you read this I will be in the Holy Land experiencing the feeling of being in a place which has so many connections for me. I will be part of a small group, about 30, who will travel together not only physically but also spiritually. I only know three people in the group but that gives it an added piquancy as I wonder if I will like them and if they will like me.

Joining a group can be very difficult as we all have a set of ideas about the people we will be joining, even if like me you don't know the majority!

In June we will be starting another six weeks of the Pilgrim Course. "What is this?" I hear you ask.

This is a Course for those:

- who have recently started coming to church.
- who want the chance to think about Christian faith.
- preparing for baptism or confirmation.
- who have been Christians for many years and want to visit the roots of their faith again.
-

It comprises of six group sessions lasting for 1.5 hours for each subject. So far we have looked at the Lord's Prayer, the Baptismal Promises, The Commandments, The Beatitudes and The Creeds. This time we are looking at The Eucharist. Each set of group sessions stands alone and newcomers are most welcome.

Now you may have set ideas about the people who already are in a group, you might be worried that people will know more than you etc. I doubt if I can say anything that will calm any anxious feelings but I believe that the groups are made up of friendly people who, like you, are searching for answers to questions – and that includes me!

The Course starts the week beginning Monday 13th June 2016 finishing the week of Monday 18th July 2016. There are five groups across our Team during the day and the evening at various venues. If you want to know more either look in the churches or contact me.

I look forward to travelling with you on your journey, we may not go as far as the Holy Land but we will grow spiritually together.

With blessings,

Rachel

A number of requests were considered by the committee at the March round of funding and the following awards were made:

The sum of £1000 was promised to the Parochial Church Council in support of their efforts to secure funds and make the necessary repairs to the church roof. The sum of up to £119 was awarded to the Newsletter to cover costs of their website. Finally the committee has promised a small amount to cover the costs of materials so that the river bridge in East Chisenbury can be repainted – a project proposed by Amanda Marx as a celebration of Her Majesty the Queen's 90th Birthday.

The Enford Community Fund comprises all the profits from the fete and fireworks events and is there to help community projects within the Parish of Enford comprising Enford, East and West Chisenbury, Coombe, Compton, Fifield, Littlecot, Longstreet and New Town. So, if you run, or are considering setting up, a project which may require help with initial costs or equipment, please get in touch.

Applications for awards must be made to the treasurer – Amanda Farrow – by email or letter no later than the first day of the award month (March & September). amanda.farrow@chisenbury.co.uk or 537 East Chisenbury.

The following guidelines will be followed in allocating funds

1. Awards will be considered every 6 months in March and September
2. Awards will be made for individual projects and are not designed to allow awardees to become reliant on the award on an annual/regular basis
3. Awards will be made to causes that benefit the community and not specific individuals
4. No awards will be made for greater than £1000
5. For any award to be granted there must be agreement by at least 75% of the funding committee

Copies of the community fund accounts and list of awards and donations made to date is available on the Enford Community page of the Enford Newsletter Website

SUMMER FETE ENFORD

JUNE 25 2016

If you are able to spare a few plants, either perennials or annuals, would you be kind and donate them for sale at the Fete. Our Plant Stall is very popular and one of the big fundraisers for the Enford Community.

Either bring them along on the day or drop them off at my house, Longstreet House (opposite the Village Hall), down by the back door.

If you have any spare plastic flowerpots (no smaller than 8cm diameter) I would love to have those please.
