A Team Vicar's Musings

This is the last 'Musings' that I will write as I retire on March 12th at the Team Service in Durrington (11.00a.m.), which will also be the first one for Phillip our new Team Rector. So I would like to be quite personal in these Musings and thank you all for the many years of encouragement and support and coping with my errors.

I started worshipping in these villages in 1986, firstly in Bulford, then the Avon Valley Benefice, then the Avon River Team. However, whilst I was training to be a priest I moved to worship in Durrington for a while so lost touch with the other villages until we all joined up about 5 years ago.

Over these decades I have enjoyed the fellowship and companionship offered by so many; there have been wonderful Bible study groups where we discussed so many different issues, prayer groups where we focussed our prayers on the villages; all kinds of church services where we worshipped God. All of these helped me to deepen my faith and encouraged me on my journey to do what I felt God was asking me to do.

So it now comes to an end for at least six months as I need to spend time away from the Avon River Team getting used to the idea that I am no longer a Team Vicar. During these months I will experience worship in different churches waiting on God to understand what he wants me to do next. I have described it as being in a punt without a punt pole, drifting with the current stopping wherever the current takes me. Or as Hildegard of Bingen puts it 'a feather on the breath of God', wherever God blows I will go.

Thank you and The Lord bless you and watch over you, the Lord make his face shine upon you and be gracious to you, the Lord look kindly on you and give you peace.
Amen.

With love, Rachel B

COOMBE AND EAST CHISENBURY RESIDENTS

Enford Parish Council are considering the purchase of possibly two more Defibrillators for the Parish; one in Coombe and the other in East Chisenbury. The location of a Defibrillator requires it to have easy visual roadside access as well as 13amp trickle charging and weekly checking and reporting.

If any property owner in either location would be prepared to offer a garden or house wall and check the charge levels every week, could they please in the first instance contact me, the Parish Clerk.

Thank you.

Enford & Avon Valley Youth Club

The youth club, which has been closed for eight months, is due to re-open on

FRIDAY MARCH 3RD AT PHOENIX HALL NETHERAVON

6PM-8PM AND EVERY FRIDAY GOING FORWARD

Although I'm very pleased that the youth club is going to continue, it is tinged with sadness that it has had to move to Netheravon, due to the lack of adult helpers in Enford.

There has been a youth club in Enford for the last 60 years or more. In the 1960s, my Dad was the youth club leader. Sadly he was killed in 1969; that's when I took over temporarily - for the next 40 years!! For the last 5 years I've been an adult helper.

Although I am very disappointed the club has moved out of Enford, the most important thing is that, gratefully, it will be up and running again, which the children desperately need. With over 20 adults prepared to do their bit, it should be a huge success and I wish them well.

NETHERAVON ALL SAINTS ACADEMY

Lisa Tigt, head teacher, with some of the children, celebrating the school's Good Ofsted judgement

There have been celebrations at Netheravon All Saints Academy. The first event that has been celebrated is the arrival of the new Head teacher, Lisa Tigt, who joined the school in September 2016. The second is OFSTED's judgement that "This school continues to be good". The Ofsted report states that the head teacher "has been transformational in her few months in role".

The two facts are connected in that the new Head has inspired both staff and children to enjoy their school. The staff are providing a stimulating learning environment in which pupils are thriving and enjoying their learning.

As the Chair of Governors, Fanny Middleton says: *"Learning and aspiration are at the heart of all we do and that extends across our whole community of pupils, staff and governors. Our dedicated, enthusiastic and hard-working team continually strive to provide exciting and challenging learning opportunities through a broad, balanced and stimulating curriculum for all pupils so that they may be given the confidence, and aspire to reach their full potential."*

This is an exciting time for the school as we move forward to meet the

- ◆ Tuesday 28th March Bridget Jones's Baby.

Who will the lucky guy be and will Bridget get her man at last?

Doors open at 7.00 p.m. with the bar open until 7.30 p.m. when the film starts. Tickets £5 booked in advance and £6 on the door.

We always need your help in choosing other films – please let me know of any friends have recommended!

Enford Gardening Club February Meeting Report by Lowenna Harbottle

Roses

Stewart Pocock gave a superb talk with demonstration and slides on the planting, growing and pruning of roses. We were told roses will grow in any soil providing it is not waterlogged. Bare root plants bought are preferable, they will thrive well. Container grown plants take much longer to establish. Plant with plenty of organic compost and plant above the root stock. This will encourage new, healthy rose stems.

If you do decide to plant container grown roses, remove from the pot and plant as they are; do not tease out the roots. If they are to be transplanted into a garden container, use John Innes no3 compost plus a slow release fertiliser. Stewart suggested you can feed roses using "Top Rose" from 1st March with a second feed after the first flush of flowers. With alkaline soil you can feed monthly to the end of July or you can use Uncle Tom's Rose Tonic, if you prefer.

Roses like to be hard pruned in February although not when the weather freezes day and night. Roses dislike being watered in hot weather, it encourages disease. Water in the early morning only when absolutely necessary.

To deter black spot spores provide a thick, wide mulch of organic compost around the base of all roses. Do not use bark chippings. If you do have black spot you can spray with "Uncle Tom's Plant Tonic". Good luck with this! Black spot is notoriously difficult to get rid of completely.

We were given a huge amount of information and had many questions answered. It was a very interesting thoroughly enjoyable and inspiring evening. Enford roses should do well.

Wednesday Night is Exercise Night at Enford Village Hall

We are a friendly group meeting from 6.15 – 7.15 pm each Wednesday evening. We exercise for an hour using a variety of equipment including small fitballs, hula hoops, resistance bands and light handweights. Some of the class is done standing, some seated on chairs and a small amount on the floor.

The programme is tailored to individual needs and everyone is encouraged to work at their own level. Ages range from 20s to 60s and the class is suitable for beginners as well as more advanced exercisers.

We do different things each week so you can join at any time. Equipment is provided but please bring a mat or towel for floor work. You pay as you go and the charge is £3.50 per class.

If you have any questions please do not hesitate to call Helen on 01980 670324 or email h.gouldcooper@gmail.com
