A word from Philip Bromiley our Team Rector:

An Easter kind of love

Jesus' message was simple, but radical. Love! and when you get tired of loving, love a bit more. Love God and love your neighbour, as much as you love yourself. Why is this radical? Well, to do it we have to change. Our hearts have to soften, so that we may learn how to love from the God who is love.

Mel Gibson's film The Passion of the Christ is a difficult film to watch. There is a lot in it, but the most prominent feature of the film for me involves the utter weakness, vulnerability, and powerlessness of Jesus. Jesus takes on the cruelty and wickedness of the crowd. It's harrowing. Why? Because He loves us, because He loves you.

It's amazing how the greatest expressions of love come from positions of weakness.

There is a true story of a pastor in an inner city church in New York. The neighbourhood was tremendously deprived and crime was high. One day, a Puerto Rican woman became involved in the church and was dramatically converted. She came to the pastor and asked if she could do something to help out. He asked her what her talents were, but she could think of nothing. She couldn't even speak English, but she loved children. So he put her on one of the church's buses that transported kids to church. Every week, she found a child, put them on her lap and whisper over and over the only words she had learned in English: "I love you. Jesus loves you."

She became attached to one little boy in particular. The boy never made a sound. Each week, she would tell him all the way to Sunday School and all the way home, "I love you and Jesus loves you." One day, to her amazement, the little boy turned around and stammered, "I---I---I love you too!" Then he put his arms around her and gave her a big hug. That was 2:30 on a Sunday afternoon. At 6:30 that night, he was found dead. His own mother had beaten him to death.

"I love you and Jesus loves you." Those were some of the last words this little boy heard in his short life, from the lips of a Puerto Rican woman who could barely speak English. Where was God in this story? God is in the woman who was able to show God's love as best she could. God is also in the boy who was bruised and left for dead.

Love came for us on a Cross. Three days later, love showed up again.
Rev Philip Bromiley

MORE VOLUNTEERS NEEDED IN WILTSHIRE TO LISTEN TO CHILDREN READ IN PRIMARY SCHOOLS

Can you spare an hour or two a week to listen to children read in a primary school?

The reading charity Schoolreaders is looking for volunteers to carry out this important role.

Our volunteers find the scheme incredibly rewarding, knowing that a few hours helping a child learn to read each week can have such a great impact on their life chances.

THEFT IN OUR VILLAGE!

There have recently been thefts from people's sheds and also of oil.

Please be alert for unusual activity in your own garden and your neighbours' gardens and, if possible, keep sheds locked.

Rights of Way Improvement Community Project

If you are interested in improving our Rights of Way (footpaths) around the village then this is an exciting opportunity to get involved!

Cllr Ian Blair-Pilling is leading a project to improve the access and usage of the Rights of Way in the community, offering increased activity and health and social benefits for everyone.

If you belong to one of the following groups or are just interested to find out more then please come along to a Start-up Workshop being held on 15 May 2019:-

- ♦ Town and Parish Councils
- ♦ Walking, Cycling and Equestrian Groups
- ♦ Youth Groups
- ♦ Schools
- ♦ Ludgershall and Tidworth Men's Shed
- ♦ Tidworth, Bulford and Netheravon Garrison
- ♦ Land Owners (Private, Commercial and MOD)

It is planned that the Summer Programme will run from June to September, with a further Progress Review Workshop in October.

The Village Hall 10th Anniversary June 2019 – Save the Date!
Time flies and it is almost ten years since the new Village Hall was opened in
June 2009.

It has been a great success and is used by many clubs and classes, as well as being a
very popular venue for children's parties,
anniversaries,
weddings and
birthdays!

The Committee would like to invite everyone to a
10th Anniversary Party on

Friday 7th June 6.00 p.m. to 8.00 p.m.

Drinks and small eats will be provided by the Committee to say "Thank
You" to everyone for their support over the past ten years and to raise a
glass to the next decade!

**BLACK ROD and BEHIND THE SCENES IN THE
PALACE OF WESTMINSTER**
A Talk by Lt Gen D Leakey CMG CVO CBE

Black Rod 2011 – 2018

General David Leakey, who retired recently as Black Rod, or to use the full title, Gentleman Usher of the Black Rod, will give a talk on
Saturday 27th April at Enford Village Hall.

Money raised from the talk will go to ABF The Soldiers' Charity.

He gives a fascinating and amusing insight to the role of Black Rod, which is so much more than just the ceremonial role at the State Opening of Parliament and banging on the door to summon the House of Commons to the House of Lords. He also reveals a good deal of the goings-on behind the scenes in the Parliamentary corridors but promises not to mention Bercow or Bullying, unless provoked, and certainly not Brexit! He comes from a distinguished military family with two Victoria Crosses and had an amazing career himself after reading law at Fitzwilliam College, Cambridge.

Tickets £15 a head to include a glass of wine and light bites beforehand.

To book a place, please contact:

Tony Blanch 01980 671307 or Judy D'Arcy Irvine 01980 670501

Cash or cheques (made out to 'ABF The Soldiers' Charity') can be paid on the night at the door.

Doors open at 6.00 p.m. for the talk 6.30 - 8.00 p.m, including questions at 7.30 after a 10 min break.

There are only 100 tickets available, so book early to avoid disappointment!

APRIL FOOLS' Day

April Fools' Day (or All Fools' Day) is commemorated annually, mainly in western countries, on April 1st, by means of practical jokes and hoaxes. The jokes and their victims are called April fools. Historically, the custom of setting aside a day to play harmless pranks upon one's neighbour has been fairly common worldwide. In the UK, an April Fool joke is revealed by shouting "April fool!" at the recipient, who becomes the "April fool", the joking ceases at noon and a person playing a joke after midday is considered the "April fool" themselves.

The origins are uncertain and differ from country to country. One theory in England relates to Chaucer's *Canterbury Tales* (1392) but the first known British reference is in 1686, by John Aubrey, referring to "Foolles holy day". An April Fish (*Poisson d'Avril*) is referenced in French poetry in 1508, possibly the first reference to the celebration in France. Some suggest that April Fools' originated because during the Middle Ages, New Year's Day was celebrated on March 25 in most European towns, and those who celebrated New Year's Eve on January 1 made fun of those who celebrated on other dates by the invention of April Fools' Day. In 1539 a Flemish poet wrote of a nobleman who sent his servants on foolish errands on April 1 and in the Netherlands, the origin of April Fools' Day is often attributed to the Dutch victory at Brielle in 1572, where the Spanish Duke Álvarez de Toledo was defeated. Some believe the origins may go back to the Genesis flood narrative.

The media are only too willing to join in the hoaxing for example:

On April 1, 1698, several people were tricked into going to the Tower of London to "see the Lions washed" and the following is an 1857 ticket to "Washing the Lions" at the Tower of London in London

1957: The BBC's classic April Fool's Day joke was an item showing concern over the endangered spaghetti crop

1962: Sweden's only TV broadcaster had its technical expert inform the public that, thanks to new technology, viewers could convert their existing black and white sets to display in colour by pulling a nylon stocking over their TV screen. The mesh would cause the light to bend in such a way that it would appear as if the image was in colour.

1996: Taco Bell took out a full-page advertisement in six major newspapers announcing it had bought the Liberty Bell, an iconic symbol of American independence, in an effort to reduce the national debt. They said they would call it the Taco Liberty Bell.

2008: Terry Jones (of *Monty Python* fame) hosted a documentary, *The Flying Penguins*, as an episode of the BBC's natural history series, *Miracles of Evolution*. It claimed to show remarkable footage of penguins flying. Jones said when the weather took a turn for the worse, the penguins took to the air and flew thousands of kilometres to the rainforests of South America where they "spend the winter basking in the tropical sun."

Request for Old Photographs of Enford

Have you seen the Historical Awareness Information Board that has recently been installed at Upavon?

Enford Parish Council have agreed to install up to two similar boards in Enford showing some of the historic sites in and around Enford.

Enford Camera Club have agreed to take this on as a project. We are therefore requesting old photographs of Enford which could be suitable for the information board. Specifically, we are looking for any old photographs that are more than 50 years old and show any buildings in Enford and surrounding areas such as churches, chapels, shops, pubs, schools, blacksmiths, garages etc.

Please can you send scanned copies of them to

enfordcameraclub@btinternet.com

If you are not able to scan them, can you email me at the above address and I can arrange to scan any that we could use.

Summer Fete at Enford

Over the last few years, the Enford, Chisenbury and Coombe Fete Committee has seen its membership drop by half, principally due to house moves away from the area. Over the last year the current Committee have tried to attract sufficient new members who are able and willing to fill the necessary organisational roles to make the running of the fete sustainable. Our thanks go to those who have stepped forward but sadly, and despite considerable effort, we have been unable to enlist sufficient new members to take the fete forward.

As a result, the current Committee have decided that the only course of action is for them to stand down as regards the organisation of a summer fete in Enford.

The current Committee will however, continue to organise the Halloween and Fireworks Event at the end of October and to continue in its stewardship of the Enford Community Fund for the foreseeable future.

The Committee ask that if there is a group within the Parish who would like to put forward a viable plan to organise and run a summer event in Enford, that they get in touch as there is funding and equipment available along with considerable expertise and willingness to help from the outgoing Committee.

ENFORD VILLAGE – DOG MESS BINS

This image represents the bins available for bagged dog mess in the village. They have been paid for by the Parish Council who also pay for their regular emptying. This is to try keep the kerbs, walks and paths etc. around the village as clean and pleasant as possible for everyone to enjoy.

This map is for representational purposes only and not to scale.

Please clean up after your dog and use these bins provided.

Thank you.

ENFORD PARISH COUNCIL (For future meetings see p11)

Abridged Draft Minutes of the meeting of 12th March 2019

The meeting was opened at 7.35pm by Cllr Roberts

Firstly, Cllr Roberts informed the Council of the recent, sad death of Stan Bagwell. He had been a very active and passionate Parish Councillor for many years, turning his hand to whatever situation arose as well as dealing primarily with Roads and Highways. His cremation will take place at Salisbury Crematorium on 26th March at 11.30 am followed by a wake at the Village Hall. No flowers please, instead any donations will go to a mental health charity. Donations can be made either at the Crematorium or through Will Case & Partners Funeral Parlour, tel 01908 623204.

19/020 Public Questions

i. - Norman Beardsley raised two matters with the Parish Council. Firstly, Bridleway no 8 off Water Lane. This is much reduced in width and accessibility due to overgrown vegetation as well as fly-tipping. It would appear to be local as there were large lumps of broken concrete, possibly once a path. Secondly the state of No 73 Fifield which hasn't been lived in for circa 3 years. It is a listed building owned by the MOD but let to the Spencer family. Cllr Hiskett said he believed this was part of the Spencer's agricultural tenancy with the the MoD and that there had been a long-running dispute regarding this tenancy.

ii – Mike Germany attended and had 5 points to make. (ii.i) There is still no salt bin at the top of the lane to Fifield from the A345. (ii.ii) he commented that due to the recent inclement weather, the dog mess problem appeared to have been reduced. (ii.iii) Where he had previously tried to clear drainage pipes between Enford and Coombe no further work had happened and there was a small pond in the middle of the field. Wiltshire Council have visited the site and they know the drain needs rodding/or jet-washing but no work has yet been done. Cllr Harbottle has been informed by two locals that the drain goes into the river but Mike Germany says this is not the case. (ii.iv) On Fifield Lane mud, branches and general muck is being washed down from the A345 to the little bridge creating a filthy area. Cllr Harbottle was able to report that this problem was on the Parish Steward's list for being dealt with on the following day. (ii.v) Mike Germany also commented on the main path in Coombe and the ditch having been cleared and asked why this couldn't be done in Fifield. This clearance was done to try and stop the natural water course flooding a resident's house. Cllr Roberts suggested Mike should contact WC direct to try and get a response from them on these matters however he chooses to attend the Parish Council meetings. Cllrs have done and are doing everything they can to resolve these issues with WC but the Parish cannot force a response from Wiltshire Council.

iii.- Cllr Roberts welcomed both Martin Webb of the Camera Club and Sylvie Clayden who has been working with Pewsey Area Board on the Pewsey Vale Historic Awareness Project. This involves the production of Information Boards with a local map pinpointing specific areas of interest, historic facts, archaeological information etc. It is hoped to raise local awareness, increase local business and local tourism. The boards themselves have a physical lifespan of circa 10 years and come with an anti-graffiti coating. A sample board was shown and Sylvie explained that the layout could be 'played' with, the focus for different locations can be moved and different subjects (historic remains, walks, rare flowers, birds etc) could be highlighted with QR codes. On accessing these you would then go through to the (village) website which gives more detailed information. The QR code system is up and running but still being tweaked. This is all done on a 'not for profit' basis. The boards have a similar basic layout and can carry circa 1,000 words in a standard font. The larger size board would be in the region of £230. Martin Webb then showed the preliminary work he had done on a board for Enford whose most likely position would be at the bottom of Enford Hill by the bus stop. It was thought the Church might also like to have its own board and Cllr Hiskett who is the PCC representative will contact the Church Wardens. Following a short discussion the Council agreed to proceed with the project. Cllr Waight offered to assist with the costs through a charity grant. Whilst no time scale was set, Cllr Roberts suggested it would be nice to have the boards in place for the Summer.

19/023 Unitary Council Matters

- WCllr Ian Blair-Pilling reported that the WC budget has been passed in the last week or so. Wiltshire have managed to balance the budget without using their reserves whilst catering for increased demand in services and no longer receiving a grant from central government. They

have increased the Council Tax by 2.99%. WC will be investing £21 million in the highways resurfacing programme across the county in 2019/20 plus the £8 million fund for potholes, minor patching, white lining, weed removal, sign replacement and other activities to improve the County's roads.

WC is also investing £12m over the next 2 years to replace the old sodium streetlights with LED lights which will help save over £1m a year in electricity costs as well as reducing CO2 emissions by 1,770 tCO2 p.a. The LED lighting has a dimming capability and lights will be dimmed after 11pm. WCllr Ian Blair-Pilling was pleased to report good news in other service areas, for example, 98% of children are being allocated a place at their first choice of secondary school. The Council is also continuing to invest in children's health and is one of very few Councils in the Country to provide free swimming for the under 16s during the school holidays. He announced that Wiltshire still have the same number of swimming pools as in 2009 when Wiltshire Council was created. Added to this several of these swimming pools are newly built or totally refurbished – notably the one in Pewsey which was recently re-opened.

-Electoral Review. From May 2021 Enford will no longer be under the Tidworth Area Board but will come under the umbrella of the newly created 'Avon Valley' along with Fittleton, Netheravon and Figheldean.

Paths for All. WCllr Ian Blair-Pilling raised again the Public Rights of Way (PROWs) Community Project. The aim is to improve the use of and access to PROWs in the Tidworth Area Board's community area by developing and utilising community resources in a collaborative manner that will offer health and social benefits to the participating groups and the community as a whole. Those involved are the Tidworth Area Board, the WC Rights of Way staff, town and parish Councils, user groups (walking, cycling and equestrian) land owners (private and commercial), youth groups, schools, Ludgershall and Tidworth Men's Shed (Mike Giles) and the Tidworth, Bulford and Netheravon Garrisons. It is hoped to integrate all ages and differing groups of people to clear, use, have greater awareness of and take responsibility/ownership for the PROWs and encourage more outdoor activity resulting in healthier and more social lifestyles. The Area Board is raising a start-up fund of £6,000 for the first year and subsequent years of funding is expected to come from Parish Councils, participating groups and grants. The first 'workshop' will be on 15th May in Collingbourne Ducis Village Hall between 7 and 8 pm to discuss and develop the best way forward. The meeting is actually the first hour of the Area Board meeting. The Summer programme will run from June to September and on 3rd October there will be another meeting to review progress and discuss the Winter programme. Cllr Hiskett stated that he intended to attend this workshop. Cllr Christie-Rundle has offered to ensure space in the Newsletter to give the project as much publicity as possible.

19/027 Matters Arising

iii. Update on the Speed Indicator Device (SID). Cllr Roberts thanked everyone who had helped to install the SID – Cllr Waight, Mort Burdick, Cllr Graham Wright (Durrington), Cllr Young and Alan Day of the Community Speedwatch Group. There have already been many positive messages by phone and email as to its effect, even asking for a second SID at the southern end of the village.

- iv. Moving the Salt Bin from Grants Road to Fifield. After a brief discussion it was agreed that a new salt bin (circa 140L) should be purchased and installed at around £150.00 + VAT. Cllr Hiskett proposed the purchase and this was seconded by Cllr Christie-Rundle with all other Cllrs agreeing.

vii. Information Boards. This was discussed with all Cllrs agreeing it was a good idea for the village – see Public Questions 19/020.iii.

- viii. New dog mess bin for Water Lane. The Council had discussed this matter previously and it was agreed to proceed with the purchase of another dog mess bin to be installed in Water Lane. The proposer was Cllr Holdway and this was seconded by Cllr Cliffe-Roberts.

19/035 Any Other Business

Cllr Harbottle announced his resignation from the Parish Council having served the village for 6 years. Cllr Roberts, on behalf of the Parish Council, said a huge thank you to him for his years of persistent work with Wiltshire Council for Enford. It is often a thankless task but he has been a very valuable member of the P.Council and his commitment will be missed.

19/036 Next Meeting Tuesday 9th April 2019 at 7.30pm in the Village Hall

The Enford Community Fund

Funding is available to help projects/events in the Parish of Enford (which includes East and West Chisenbury, Coombe, Fiffield and Littlecott).

Applications for awards must be made to the treasurer, Amanda Farrow, by email or letter, no later than the first day of the award month (March and September).

amanda.farrow@chisenbury.co.uk or 537 East Chisenbury.

The following guidelines will be followed in allocating funds:

1. Awards will be considered every 6 months in March and September.
2. Awards will be made for individual projects and are not designed to allow awardees to become reliant on the award on an annual/regular basis.
3. Awards will be made to causes that benefit the community and not specific individuals.
4. No awards will exceed £1,000.
5. For any award to be made, there must be agreement by at least 75% of the Committee.

A few photos from 23rd March – the hunt visiting Enford Church for refreshments.
