A word from Gale Hunt our Team Vicar:

What do you like about October? Is it the crisper air in the mornings? The changing of the colours in nature around us? Perhaps it's the half-term holiday at the end of the month or the enjoyment of Autumn walks? One of my favourite books from my childhood has this to say about October:

"October was a beautiful month at Green Gables, when the birches in the hollow turned as golden as sunshine and the maples behind the orchard were royal crimson and the wild cherry trees along the lane put on the loveliest shades of dark red and bronzy green, while the fields sunned themselves in the aftermaths. Anne reveled in the world of color about her.... "I'm so glad I live in a world where there are Octobers. It would be terrible if we just skipped from September to November, wouldn't it?" "

Lucy Maud Montgomery (1874–1942), *Anne of Green Gables*, 1908

Often we tend to think about the future and the 'what ifs' of life that we forget to take notice of the present. The psalmist reminds us to enjoy each day 'This is the day that the LORD has made; let us rejoice and be glad in it.' (Psalm 118: 24) So this October, why not try to spend time living in the moment, counting your blessings and enjoying the wonderful colours that God provides in nature.

Best wishes
Gale

ENFORD VILLAGE HALL FILM CLUB

Tuesday October 22nd

“The White Crow”

A young man of just 22, dressed in a black beret and a dark narrow suit, is on an airplane flying from St Petersburg to Paris. It is 1961 and Rudolf Nureyev (Oleg Ivenko), not yet the imperious figure of legend, is a member of the world-renowned Kirov Ballet Company, travelling for the first time outside the Soviet Union. Parisian life delights Nureyev and the young dancer is eager to consume all the culture, art and music the dazzling city has to offer. But the KGB officers who watch his every move become increasingly suspicious of his behaviour and his friendship with the young Parisienne Clara Saint (Adèle Exarchopoulos). When they finally confront Nureyev with a shocking demand, he is forced to make a heart-breaking decision, one that may change the course of his life forever and put his family and friends in terrible danger.

From Nureyev's poverty-stricken childhood in the Soviet city of Ufa, to his blossoming as a student dancer in Leningrad, to his arrival at the epicentre of western culture in Paris in the early 1960s and a nail-biting stand-off at the Le Bourget airport, *The White Crow* is the true story of an incredible journey by a unique artist who transformed the world of ballet forever. *From the official website*

Please Be Aware—Safety First

On Friday 20th September at 1pm, we had an alarming incident with a delivery man from DHL and we thought that we ought to warn your readers about the possibility of such alarming events.

The DHL delivery man was in an enormous hurry and could not cope with the lack of alacrity with which I answered his knock, saying: "I don't ring doorbells!" He adopted an aggressive posture, put his foot in my doorway and tried to force his way into our house, so we rang our alarm line which summoned the police. At this point the DHL delivery man left his parcel (which was genuine) and ran away. The police confirmed that we had done the right thing in taking no chances with anyone trying to force their way into their homes. We are all urged to treat callers with suspicion and in this case we were right to do so.

October Oddities

Hallowe'en is the tradition most often celebrated in Britain in October and "Trick or Treat" now seems to follow the US slant rather than as many of us may have done as a child. However, October sees other traditions and customs being celebrated too.

2nd – The story goes that on this day in 1571, as Mathew Wall's coffin was being carried along Fleece Lane, Braughing Herts, towards St Mary the Virgin church, one of the pall bearers slipped on wet leaves. Mathew's coffin broke open as it fell and Mathew awoke from what was thought to be a coma or similar. He was married the next year and lived for a further 24 years. In his will he left provision for Fleece Lane to be swept each year on "Old Man's Day" and the funeral bell, followed by a wedding peal, to be rung at the church. The debt of £1 has to be paid by the current owners of Mathew's farmhouse and is a condition of the Deeds.

8th – Waltham Abbey (Essex) celebrates King Harold, last King of England, who was infamously succeeded by the Norman William the Conqueror in 1066. Harold was lord of the manor at Waltham and his wife took him back there for burial.

19th and 20th – see the Cambridge Tiddlywinks championships. Tiddlywinks was a Victorian parlour game and sets can still be bought but the appeal is not as great as it was. However, this is a serious tournament and to enter you need to be available all weekend and have a working grasp of the rules! Terminology includes "winks" (the counters) and "squidgers" (the disc that flips the winks).

21st - Trafalgar Day commemorates the victory of the Royal Navy, commanded by Horatio Nelson, over the combined French and Spanish fleets, although the victory was marred by the death of Nelson from a gunshot wound. His last words have been separately reported as "Thank God I have done my duty." and "God and my country". Although generally known as "Admiral" his official rank was "Vice-Admiral of the White".

From Doreen Faye: Poem I wrote for Archie the Royal baby, for his christening, which can be published as I've written it for several children, just changing the name. I have received another photograph of the christening but I wasn't a "secret godmother"!

Archie

Today a day you won't remember
Surrounded by those who love you
To make you a member of God's family
And watch over you in all you do.

A candle lit to guide you along life's way
A glow in the darkness when you need a light
Until you venture on your own

Guided by your godparents, never far from sight.
The promises they have made today
Are made by them to God above
Promising to keep you safe
And give you lots of love.

No matter what zigzag path you take
No matter what battles lost of won
Remember as you grow up and stride life's way
You'll always be: Megan and Harry's son.

ENFORD PARISH COUNCIL (For future meetings see p12)
Abridged Draft Minutes of the meeting of 10th September 2019

19/094 Public Questions

Mike Germany attended the meeting to raise three points. Firstly to thank the Parish Council for the fact that a road sweeper had been through Fifield at 8 o'clock in the morning and all the residents were very appreciative of the difference this has made. Secondly to enquire about the moving of the dog mess bin from one end of the Coombe Lane footpath to the centre of Fifield which had been agreed at the last meeting. The Clerk reported that the Contractor had been chased twice and that morning had been copied in on an emailed instruction for this to be done. Hopefully this will happen in the next week. His third point was regarding the installation of the new salt/grit bin at the top of Fifield Lane. Since meeting the Contractor for this on site in March, the Clerk reported that she had been chasing this monthly. As previously explained, the Contractor has to have the approval of the Highways dept at Wiltshire Council before he can do this. He is chasing Highways for their permission and is confident that he will get the go ahead before the salt/grit would be needed.

19/101 Matters Arising

Land Asset Transfer – Cllr Roberts described the offer from Wiltshire Council of four pieces of land to the Parish. Firstly, an extension to the Playpark area which is to be on a 125 year lease. Secondly, three very small pieces/slivers of land on the A345 as freehold. One, two small areas of land on the western side of the crossroads of Enford Hill and the A345 and the third, further south on the western side. If accepted, the Parish Council would be responsible for the upkeep of all pieces of land which add no value or asset to the parish. For example, the A345 piece to the south would require the northbound lane to be closed for any tree cutting/maintenance – the preparatory administration and cost of this would be down to the Parish Council. It was thought the four pieces of land (one leasehold, three freehold) in total were being offered as a package to Enford. In turning down the package, the parish might lose the extra land to extend the Playpark. Cllr Cliffe-Roberts pointed out that with the Playpark extension area (125 year lease from WC) the lease could be broken at any time which could mean that after a large financial investment in new equipment, it could all be threatened with removal if WC decided they wanted the land back. It was also noted that the Playpark is not heavily used as there are not that many children in the village. It was agreed that the planned 'area' for Allotments could be lost as only one person had come forward and on visiting the site, they were not inclined to proceed. As a Surveyor, Cllr Cliffe-Roberts offered to discuss the matter with WC's Estates Manager, Jenny Rowe. If there was no movement from her on the 'package' then the possibility of turning down the offer was discussed. W Cllr Blair-Pilling offered to attend a meeting if it came to this to help with both sides of the situation.

New Noticeboards – The Clerk had researched some 6 or 7 suppliers and provided all Cllrs with a document listing 3 of them and the potential boards required. In total there are three noticeboards in the parish, one on the wall of 'Mallards' in Coombe, one of the Red Lion in East Chisenbury and the main/central board at the bottom of Enford Hill. All three are in need of replacement. After a discussion on the size and look of the boards, it was decided that the central board should be made of Oak, self-standing, have the parish name engraved across the top and be located by the bus stop at the bottom of Enford Hill. A second, similar but slightly smaller board would be purchased to replace the one in Coombe. Cllr Cliffe-Roberts asked if these would need planning permission. Cllrs Hiskett and Roberts will check with WC regarding planning permission and look at the detail of required space, size etc. The Council agreed that circa £2,000 would be spent, this was proposed by Cllr Hiskett and seconded by Cllr Waight with all other Cllrs being in agreement.

Granting of a loan to the PHMC – This loan would be to cover the cost of the demolition of the Parish Hall. It would be open ended and interest free and in the region of £6,500 incl VAT. Cllr Holdway proposed and Cllr Young seconded with all other Cllrs in agreement.

19/102 Finance

The clerk reported that July started with a balance of £16,553.22 with outgoings of £1,436.50 leaving a carried forward balance of £15,116.72 to August. The outgoings in August were £1,132.58 leaving a balance of £13,984.14 to start September. On 21st of September the Council should receive the second tranche of the 19/20 Precept in the sum of £8,045.00.00.

19/104 New Playpark

Cllr Young and the Clerk had met with a representative of SutcliffePlay in July to look at the possibilities of upgrading the Playpark equipment in the area as it stands. The Clerk had distributed the proposal / quotation from them to all Cllrs and this had come to a total of £36,500. Not all the equipment would be upgraded as per the quotation but possibly some items, as and when required. See 19/101.iv. It was agreed that this would be discussed further, particularly in light of the fact that fewer children were using the Playpark. Further funding would be required and this will be an ongoing effort within the Parish Council.

19/105 The Parish Hall

Cllr Cliffe-Roberts stated that Consent for Demolition had been received with conditions including a 3 year ‘window’ to commence demolition, and 10 weeks from completion of demolition to apply for the Parking/Garden Planning Permission. Cllr D’Arcy-Irvine asked how long the demolition process would last – it was thought about a week, but there is no fixed time limit – the contractors’ working hours are limited by a condition in the planning consent. A Section 81 Notice (Building Regulations) has also been received and the PHMC are required to obtain an Asbestos Survey (to be sent to Wiltshire Council and the demolition Contractor). Cllr Hiskett suggested the wood might be used for the village bonfire but it was thought the Contractor would most likely wish to remove all the debris and that it may well have been treated in the past and not be fit for burning.

19/106 Roads and Highways

Cllr Roberts read out the report sent in by Cllr Coulthard regarding a possible 20mph speed limit through Longstreet. He had raised the matter at the last CATG meeting and was informed that firstly a survey would need to be done which would cost a minimum of £650.00 if support was gained from the committee, if not the full cost of circa £2,000. If support was given there would be further costs for signage which could be as much as the survey itself and it is unlikely that we would get a full grant for the process. It was suggested that EPC might conduct its own research initially to see if it was viable to pay the fully contracted research costs. If traffic appears to be generally lower than 30mph then it is unlikely that WC would grant a 20mph limit as speed would be considered as controlled. The CATG traffic surveyor, Gareth Rogers, will drive through the village himself to gain an informal opinion, an official review would be c£600 and Cllr Coulthard will follow this up at the next meeting. One option suggested was to purchase ready-made friendly signs/stickers requesting drivers check their speed, it was proposed by Cllr Cliffe-Roberts and seconded by Cllr Hiskett

19/107 Public Rights of Way (PRoWs)

Cllr Hiskett reported on the ‘Paths for All’ progress. There was to be an open meeting at 7pm the following evening (11th September) in the Phoenix Hall at Netheravon, which would include Fittleton, Haxton, Enford etc to be known as the ‘Avon Valley Group’. This will be looking at various initiatives, possibly tying up with Netheravon School to identify circular walks in the area. This might then give rise to tri-fold leaflets to be available in local shops and pubs. There might also be a ‘Treasure Hunt’, the main focus is to get all age groups involved. The success of this would then require a ‘Maintenance Team’, again taken from all the villages, to take on the responsibility of keeping the paths in good order.
