Thoughts from Rev. Philip Bromiley

All Change

They say change is inevitable, except from vending machines. October is a month of season change. The final throes of summer give way to the alternate beauty of red, yellow and brown of the trees in their autumnal display. There is change too in our church at the moment. Rev Gale Hunt is retiring after having served as Team Vicar in the Avon River Team for 12 years. During this time, Gale has been a dedicated, loyal presence in our churches and greatly valued member of the Staff Team. Gale guided us through a lengthy Interregnum (before I was appointed as Team Rector), the small matter of a Covid pandemic, and the subsequent financial crisis. Gale has served the wider area as Rural Dean, after a stint as Assistant Rural Dean, making a significant contribution as school governor for both Netheravon and Bulford. We are immensely grateful to Gale for these precious years of her ministry. It's only when a Vicar leaves we see the fruit of their work and the impact they have made on lives round and about. As a fellow priest, I have benefitted hugely from Gale's eye for detail and her administrative abilities, overseeing rotas and website, keeping us all up to date with Diocesan thinking on major topics (e.g. Safeguarding). As we prepare for the next Chapter, there will be discussions about finding a new Team Vicar and their role for the future of the Avon River Team. To justify a new Team Vicar being appointed for our churches, we must be in good heart, have secure finances as well as growing congregations. So I am appealing to us all throughout the Villages and wider community. Please support the local church any way you can in the months ahead: come to the odd service (we have a huge variety), offer to help out either practically or by regular donation, and pray for your church too as we enter this time of transition.

Every blessing,

Rev Philip Bromiley (philbromiley@gmail.com)

RIP Anne Parker

Our sincere and heartfelt condolences to Fred Parker at Chisenbury Court following the recent and sudden loss of his dear wife Anne on 31st August 2024 and to their children Vincent and Caroline and respective families. Anne (nee Clack) was born on 15th June 1945 and grew up in Shrewton and she and Fred met at a dance in Devizes Town Hall when Fred, a marine engineer with Cunard, was home on leave. Although Fred grew up in Chisenbury his marine work required Fred and Anne, then married, to live in Florida and later move to other parts of the USA. On returning to the UK they settled in East Chisenbury, enjoying family visits, having holidays in Cornwall and most especially days out at the Great Dorset Steam Fair. Anne was a very caring and thoughtful wife and mother with a ready smile always ready to help others. Anne always enjoyed crafting, cooking and gardening. At this very sad time may Fred and his family be consoled by the many fond and happy memories of Anne and their lives together.

A Private Function

By Alan Bennett

This 1984 film is set in 1947 Yorkshire, when food rationing was at its height. A group of local businessmen decide to throw a party to celebrate the marriage of HRH Princess Elizabeth to Prince Philip. In order to provide food for the party it is decided to fatten a pig, against rationing regulations. This gives rise to conspiracies, suspicion and threats of blackmail. The cast of stars, includes Maggie Smith, Michael Palin, Alison Steadman, Richard Griffiths, Denholm Elliott, Pete Postlethwaite and George Harrison. The film won 3 BAFTA Awards and has been described as “a really funny movie” and “a flat out winner”.

ENFORD

As we wrap up our second month in business, we couldn't be more excited to reflect on the incredible journey we've had so far. It's been a time of learning, growth, and, most importantly, delicious food—and none of it would have been possible without the dedication of our amazing team and the addition of our new chef, Liam O'Sullivan.

From day one, our team has worked tirelessly to create a welcoming atmosphere and deliver exceptional service. Every member, from front-of-house to back-of-house, has poured their heart into ensuring that every guest leaves with a smile. Their commitment to excellence has been the cornerstone of our success, and we are grateful for their hard work and enthusiasm.

A special shoutout goes to Chef Liam, whose arrival has truly been a game-changer. Liam's innovative approach to cooking and his dedication to using fresh, locally-sourced ingredients have quickly become the highlight of our menu. His creativity has not only set a high standard for our food offerings but has also introduced our guests to a new world of flavours. The response to his dishes has been overwhelmingly positive, and it's clear that his vision is resonating with everyone who walks through our doors.

This first two months have been a whirlwind of excitement, challenges, and triumphs. We've loved every moment of it, from crafting the perfect dish to seeing our guests' delighted reactions. We've also embraced the invaluable feedback we've received, which will guide us as we continue to evolve and improve.

As we look ahead, we're thrilled about the future and the continued growth of our beloved Swan Inn. With a talented team and a visionary chef like Liam leading the way, we're confident that the best is yet to come.

Thank you to everyone who has supported us during this inaugural two months. Your encouragement has been a driving force behind our success, and we can't wait to share many more memorable experiences with you. Here's to many more months of delicious food, great service, and the joy of bringing people together around the table!

Fundraiser Event At 2nd Bulford Scout Hut

Hi, I'm Edie and I'm a scout at the 2nd Bulford St. Leonard's scout troop.

I'm organizing a fundraising event at the scout hut to support Free To Be Wild – an animal sanctuary in Zimbabwe, Africa.

Bushwalks:

A Bushwalk is where we get all the baboons let out of their enclosures and they walk with us for about 5-10 minutes before we sit down at the dam and the baboons play and sometimes come and sit on your lap and groom you.

The fundraiser includes:

- Tabletop sale
- Tea & coffee
- Cake
- Info on the sanctuary
- Games
- Tomahawks & archery outside weather permitting

Make sure to bring some money (cash and contactless are both accepted)

I volunteered at this sanctuary for 2 weeks in the summer, where we helped out with tasks such as: building and repairing enclosures, feeding the animals, cleaning out the animals' enclosures, doing orphan sits where we interacted with the baby monkeys and the baby baboon and my favourite thing of all was Bushwalks.

ENFORD PARISH COUNCIL

Abridged Draft Minutes of the meeting of 3rd September 2024

24/073 Public Question Time Mr Jim Hayward and friend attended the meeting with concerns regarding the Police/WCouncil response during the last two Road Traffic Accidents (RTAs) resulting in the A345 road closures. In both instances he complained that the Police were slow to attend and did not know the area and roads well enough to redirect the traffic in a sensible manner. Traffic directed onto the C32 caused a complete standstill for hours with two further Police cars and an Ambulance unable to move. He felt traffic should have been directed from B crossing to Everleigh rather than through Coombe, Enford and East Chisenbury. Due to the A345 closure overnight, some residents were still unable to leave their houses the next day as the traffic build up was at a standstill. He felt the Police should be informed of the local concerns as well as Wiltshire Council.

Subsequently WC Ian Blair-Pilling asked for time to consult neighbouring parishes who suffer from the same problems. A joint letter from all parishes involved would carry more weight with both Wiltshire Council (Highways) and the Police.

24/076 Unitary Council Matters WC Blair-Pilling raised the following points:

1. Flooding meeting. Cllrs Roberts and Farrow with Mark Symonds have been involved with WC's Danny Everett on the matter of the drains in Enford – both sewerage and water. They have prepared a map of all the drains in the village with photo evidence and a written report which will go to Trowbridge when complete. This will constitute a working map from which WC will attempt to assist in solving some of the drainage issues which cause the Winter/Spring flooding problems. WC Blair-Pilling said there would be no 'instant fix' and asked that people continue to report any blocked drains and gulleys on the MyWilts app. In relation to this matter, Cllr Hiskett asked for WC Blair-Pilling's assistance in getting a response from the Public Rights of Way contact regarding the flooding/mire in Fifield where the footpath meets the road. Earlier this year the whole area had been under inches of mud and standing water in summer the problem has disappeared.

2. Extra money into Roads. Due to extra money being available, WC are now dealing with issues on C roads. Please keep reporting issues with roads on the My Wilts app or to the PC's Roads and Highways representative, Cllr Martin Farrow.

3. Meeting in Durrington. He reported on meetings that had been held (and more to be held) with himself and Graham Wright along with the MoD regarding the presence of some 400 Afghanis and their families currently based at Larkhill. (There are also more families at Tidworth, Bulford and Perham Down as well as other parts of the country). They are awaiting the Army's full vetting before being housed but their presence has caused some disquiet with locals due to their long stay. A process which should have taken 6 weeks is now in its 6th month. They are all entitled to be in the country indefinitely and have the same rights (work and

benefits etc) as any other local residents however they do not at present have jobs or anywhere to go. Groups of them getting together have caused some attention. The apparent 'influx' has not before been publicised to local residents and these meetings are to explain the situation everyone is in and how it is hoped to solve it. Integration is happening and naturally school places need to be found for them so WC is also involved though this is in fact the MoD's responsibility, not Wiltshire Council's. Anyone wishing to welcome the Afghanis and offer to volunteer their time and assistance is also very welcome to attend.

4. Bulford Military Pool. A Swimming Club used to operate here but it closed down. Ian was pleased to announce that swimming lessons will be starting again. This is still a military pool as opposed to a WC pool and there are benefits in joining which can be applied to Council's pools. WC offer free swimming to children to encourage involvement and health benefits.

24/079 Matters Arising The Allotment Site. The PC asked KC Outdoors Services (ground maintenance contractor) to assist with a clearance of the Allotment site in Water Lane. The current tenant has cultivated some of the area and following both the PC's and DEFRA's Rules and Regulations is hoping to keep chickens as well. The ongoing maintenance of the overall site will be reviewed on a regular basis.

The Memorial Garden path. Cllr Hiskett has spoken with Dan Withers (Landscape Gardener) as to the best way to deal with the dilapidated path. The wooden edging is rotting and the path itself is full of weeds. Three options were discussed (i) Leave it as it is. (ii) Remove the rotten edging, lift off approximately two inches of the surface, fill with topsoil and sow with grass. (iii) As above but fill with gravel. Depending on the number of volunteers this could take two days, involve the cost of a digger, trailer and either grass seed or gravel costing circa £5,000. After some discussion it was decided that Cllr Waight would spray the path with weedkiller and a volunteer work party would be arranged to remove the rotten edging boards. Cllr Hibberd thought putting it back to grass was the simplest long term answer and asked about the PC's insurance situation – safest option for the public.

A345 Safety issues/Cllr Farrow/LHFIG committee. Following the representation of residents on the A345 at the July meeting (24/055), Cllr Farrow has spoken to the Parish Steward re cutting back vegetation. This is not a job he is able to do due to safety issues involved. He has now put forward the complete list of issues as a whole (speeding and limits, lack of armco barriers or fencing, overgrown vegetation etc) to the Highways team/committee (LHFIG) for their assessment and assistance where possible. This will hopefully be discussed at their next meeting. As previously reported, they will not be able to cover every aspect of the concerns but would hopefully assist in creating a safer driving environment for the immediate residents.

Streetlight in Water Lane. As in previous years the streetlight in Water Lane has not been effective due to overgrown vegetation. The two immediate property owners have taken back all the overgrowth and plan to keep it this way. It is greatly improved and the PC would like to thank them for their 'robust approach'.

Wiltshire and Swindon

In the next few weeks, you will see my proposal for a new Police and Crime Plan 2024-2028. I have taken your feedback from the many responses I received as part of the public consultation conducted in July, where you told me about the areas of policing which matter most to you, your thoughts on the service provided by Wiltshire Police and, crucially, whether you feel safer in your community compared to when I first took office in 2021. This is why I'm looking for your opinions on the Police and Crime Plan, as it will set the framework and strategic direction for Wiltshire Police.

Whilst improvements have been made in regards to policing in Wiltshire since I drew up my first Police and Crime Plan in 2021, I must stress that there is more work to do in key areas within the force, the Chief Constable is aware of my expectations and shares my belief that the updated Police and Crime Plan needs to reflect our joint commitment to making Wiltshire a safer place to live and work.

By giving me your thoughts and opinions on my updated Police and Crime Plan, you will help me to create a document by which the performance of Wiltshire Police and my office can be judged.

Look out for updates on my website, social media channels when the document will be ready for download during the month of October. Or you can email pcc-consultation@wiltshire.police.uk and we can email you a copy and a feedback form.
