

SPECIAL PRE-EASTER FILM SHOW (and it's FREE!)

The Avon River Team Ministry and the Enford Village Hall Film Club

Present

THE GOSPEL OF MARK

Thursday 15th March

This brilliant film has been put together by the Lumo Project (a team filming the Bible in its original words) and it immerses the viewer in a stunningly visual and artistic representation of first century Palestine. It recreates the original Jesus narrative that has changed the world; from his miraculous birth to his agonising death on the cross and on to his triumphal resurrection. With all his miracles, his teachings, his parables; this is the extraordinary story of his life. Filmed in Morocco and using a film set of the Temple in Jerusalem, it uses the very latest historical research to recreate authentic first century Palestine.

Enford Village Hall. Doors open 7.00 p.m.

Refreshments available. Film starts 7.30 p.m.

Entrance Free.
