

# **PATHS FOR ALL**

## **AVON VALLEY RIGHTS OF WAY GROUP**

As the result of a successful workshop at the Tidworth Area Board, the Parishes of Enford, Fittleton and Netheravon agreed to form a group to look after, improve (by making them accessible to all) and maintain the Rights of Way in the Parishes. We also decided to make circular routes using the Rights of Ways and to publish leaflets describing them to encourage people of all ages and abilities to walk for their health and enjoyment. We especially would like to involve young people to design waymarks and help illustrate maps for information boards and leaflets.

**If you are interested in coming to our next meeting in September (date to be decided), could you please email :**
