Could you offer to give a talk in 2018/19?

Perhaps something about a local business, village or church or perhaps your own family. As long as the subject has links to the Pewsey Vale we would like to hear it.

To help illustrate your talk we can arrange to create a slide show from your photos and other images if you are not able to do this yourself.

Do please give it some thought and email or ring for a chat if that would help.

Best wishes,

Wendy Lawrence
