Chairman's statement;

This last year has seen a lot of great happenings at the hall. We enjoyed St Patricks night, a French evening, a Euro evening. Our thanks to Rob & Karen Coultard, Caroline Stagg, Keron Taylor, Gill Gould, Emma Petitt and others who helped in the organising of the evenings.

We have had a number of jumble sales and bingo evenings. The booksale was a success and we shall repeat it.

Weekly circuits remains a mainstay of our income. We shall learn how our Treasurer Bob Taylor has reduced our running costs this year.

Gareth Holden made a successful application to the Enford Fund for £500 and is looking for matched funding. With the accumulation of some capital we hope to carry out recladding works planned for the year just gone.

Overall, the year has been a good one but we must aim to get more people involvd with the Parish Hall so that we can carry out our aim to refurbish the building.
